

Mrs. Richeson Describes Summer Trip To Europe

Members of the Waynesville Kiwanis Club and their wives were "taken" on a guided tour of Europe Tuesday night by Mrs. L. M. Richeson, secretary at Waynesville High School, who recounted her impressions gained during a trip abroad last summer.

One of Mrs. Richeson's major conclusions was that "traveling in Europe is just like traveling in the U. S.—it costs just whatever you want it to cost."

Traveling with only one suitcase, Mrs. Richeson often surprised companions and customs inspectors who inquired: "Where's the rest of your luggage?"

The speaker characterized her trip as one of extremes—between beautiful and drab surroundings and between elaborate accommodations and those plain and unpretentious.

Among the highlights of her trip described by Mrs. Richeson were:

Sailing down the St. Lawrence River from Montreal, crossing the ocean aboard the Ile de France, landing at Liverpool and encountering an abundance of flowers and other signs of the British coronation, visiting an English school, the Tower of London, changing of the Guard at Buckingham Palace, Shakespearean country around Stratford on Avon Cardiff and the Welsh farmlands, cheese factories in Holland, Saturday night pigeon races in Brussels, Paris with its Eiffel Tower, the Louvre, Champs des Elysees, Notre Dame cathedral, Palace of Versailles, Germany (where, she said, the people are hard at work repairing the destruction wrought by war), and Switzerland, which she described as "beautiful".

Mrs. Richeson spent approximately 25 days in Europe with her son, who was stationed in Germany.

Cautioning future visitors to Europe, the speaker asserted: "We Americans can make a mistake by bragging what we have and they don't have."

Special music on the "Ladies Winchester."

MORE ABOUT Boy Scouts

(Continued from Page One)

ing: Verlin Edwards of Troop 10, Maggie, horsemanship; Michael Rogers of Troop 16, Canton, personal fitness; William Stamey of Troop 16, Canton, firemanship; and Teddie Skaggs of Troop 16, Canton, music.

Star scout badges were awarded to Eddie Weiss and Bobby Edwards of Troop 12, Bethel, and Charles Baumann of Troop 3, Hazelwood.

Don Standolph, advancement chairman of the Pigeon River district, presided at the court of honor.

Following the court of honor, Geoffrey Cooper was reviewed for Star Scout, and a district committee meeting was held.

MORE ABOUT New Precinct

(Continued from Page 1)

Drive in a southerly direction to a point where said Drive is intersected by the Rhodarmar Cove Road; thence with Rhodarmar Cove Road in a westerly direction to the beginning.

Glenn Brown, chairman of the Board of Elections, said that the polling place for the new precinct will be at the Morning Star School.

Before being able to vote in the new precinct, however, all voters in the area must re-register from May 1 until May 15 when county polling books will be open, Mr. Brown pointed out.

Approximately 1,000 people live in the new precinct, the election official estimated.

The additional precinct was created in Beaverdam Township as the result of a number of petitions being submitted to the Board of Elections in 1952. A public hearing was conducted later and no opposition to the proposal was expressed at that time.

The last precinct changes in Haywood County were made about four years ago in Waynesville, Mr. Brown said. No changes have been made in Beaverdam "for a number of years," he added.

MORE ABOUT Heart Disease

(Continued from Page 1)

Stringfield in an effort to raise \$1,500. A similar sum will be sought in Canton.

Pertinent facts about heart disease were cited by Dr. Stringfield, who pointed out:

About 10,000,000 persons, or 1 out of every 16, suffer from some form of heart or blood vessel disease. Of these, about 500,000 are elementary and high school children.

Heart diseases affect people in all age levels and economic groups. After the age of 45, they cause one out of every two deaths.

There are twenty forms of heart disease. The three that account for about 90 per cent of all heart diseases are:

- 1. Coronary heart disease, resulting from hardening and narrowing of the coronary arteries (arteriosclerosis).
2. Hypertensive heart disease, resulting from high blood pressure (hypertension). Together, coronary heart disease and hypertensive heart disease account for about 90 per cent of all cardiovascular deaths.
3. Rheumatic heart disease, which follows rheumatic fever, a leading fatal disease among those aged 5 to 19 affecting some 1,000,000 Americans.

Unknown to medical science are the causes of rheumatic fever, high blood pressure and arteriosclerosis. However, the outlook is hopeful that both causes and controls will ultimately be discovered. It is now known that prompt and efficient medical treatment of streptococcal sore throat with penicillin may prevent development of rheumatic fever. Notable surgical procedures have been perfected, remarkable tools have been developed for the diagnosis and study of these diseases, and many new drugs have been formulated that are effective in the care and treatment of diseases of the heart.

Each year at least 152,100,000 man-days are lost as a result of heart and circulatory diseases. The cost is even more staggering in terms of loss of life, human suffering and treatment programs.

Today, hearts are being saved because heart research is making vital new discoveries, and because people are beginning to know these five hopeful facts:

- 1. Some forms of heart disease can be prevented... a few can be cured.
2. All heart cases can be cared for best if diagnosed early.
3. Almost every heart condition can be helped by proper treatment.
4. Most heart patients can keep on working—often at the same job.
5. Your "symptoms" may or may not mean heart disease. Don't guess—don't worry. See your doctor and be sure.

Chaser Is Noisy

HANOVER, Mass. (AP) — Bartender Harvey Hemmings asked the new customer the usual question, "What'll you have?" The man gave the unusual reply of "Everything you got." The "everything" was \$500 and the "chaser" was a squad of police cars.

DEEP CUT was necessary across North Main Street for the new Shelton Branch sewer line. This photo shows the 14-foot cut across the street, which was filled up late Tuesday afternoon, and normal traffic resumed over the route. The line runs right near the home of Mr. and Mrs. W. L. Matney. (Mountaineer Photo).

land aid bases across the Channel to fight the Germans.

He is a graduate of WTHS and attended Western Carolina College at Cullowhee.

For the past four years Tate has been a feed and seed inspector with the North Carolina Department of Agriculture.

He married Miss Mary Noland, and they have a son and a daughter. He is the son of Mr. and Mrs. Joe N. Tate, Sr., of Hazelwood.

Three Officials File

ices, and serving their first term, are Sheriff Fred Y. Campbell; Register of Deeds Jule Noland and Clerk of Court J. B. Siler.

The three filled out the formal filing blank, and paid their filing fee. The entire procedure took just about three minutes. They filed just about five o'clock, which they noted was exactly two months and one hour before the deadline on April 17th, and six o'clock.

All three candidates were elected in 1950 for their present offices, and all three in discussing the coming May Primary, said they would seek re-election on their record in office for more than three years.

Only one other candidate has formally filed with the board of elections, he is J. H. Thompson, of Clyde, seeking the post of township constable there.

The minimum filing fee is \$5, and for those offices that have an income of over \$500 per year the fee is one per cent.

MORE ABOUT Operetta

(Continued from Page 1)

bers of the mixed chorus. Main characters will be Juanita Kelly as "Oconeechee", Tommy Eider as Chief Junaluska, John Calhoun as Whipworwill, Dick Hogland as Chief Tecumtha, Stanley Turner as Wilusdi (Col. William Thomas), Henry Wilson as Gen. Winfield Scott, and Tom Owen as Tsali.

Indian warriors will be Bill Crawford, George Wilson, Don Honomichael, Jack Walker, Tom Henry, Jerry Blanton, T. L. Francis, Charles Donnahoe, Don Franklin, and Paul Hightower.

Indian Maidens will be Bobbie Jean Radford, Jessie Alexander, Betty Hoglan, Delores Hemby, Salinda Dicus, Glenda Evanson, Sue Morgan, Amelia Alexander, Elizabeth Summerrow, Barbara Griffith, Marie Barrett, Catherine Grasty and Janet Parker.

United States soldiers will be David Parker, Joe Walker, Milton Massey, Jimmy Todd, Donovan Scruggs, and L. B. Limer.

Shawano Indians will be Billy Bishop, Ted Rogers, Laurie Hannah and Stanley Williamson.

Costumes have been made by students of the Home Economics Department of the school, under the direction of Miss Lois Buchner, Bill Powell, head of the Industrial Shop, and his students are building the scenery and Miss Wanda Gibson, art teacher, is directing her students in painting the scenery.

The musical drama is a fictitious Cherokee love story with the historical background of the removal of the Cherokees to Oklahoma in 1838. The story was developed from a poem by the late Frank Jarrett of Hillsboro and set to music and published by Miss Stringfield.

Miss Stringfield, former music teacher in the schools here, said the operetta is adapted for high

not serve again because of his business.
