

WCC Will Offer 57 Courses At Summer Program

A total of 57 courses in 18 subject areas and nine instructional departments will be offered for undergraduates in the 1954 summer program at Western Carolina College, it has been announced by Dean W. E. Bird, director of the school.

Approximately 40 courses will serve the needs of graduate students. Among these courses will be a full schedule, not before available, for graduate students in the field of health and physical education.

In the undergraduate program courses leading to bachelor of science degrees will be offered in business, education and psychology, English, fine and industrial arts, health and physical education, mathematics, modern foreign languages, science and social sciences will be given.

A combined faculty of 61 instructors will serve for both sessions.

The summer term will open June 7, the first session will end July 16 and the second session will conclude on August 27.

Central Cleaners Add New Filter System To Plant

Central Cleaners have just installed a new filtering system in their plant, replacing a 1,000 gallon per hour capacity unit with one three times as large. Johnny Shelby, owner, said the new unit will give a complete change of crystal clear filtered solvent every minute the garments are in the process of being dry cleaned.

cleaned. The solvent is filtered, cleaned and returned to the filtering machines. The new unit is an addition to the large modern solvent system stalled a short time ago. Shelby said the new equipment means "all garments are dried in pure and clean solvent times."

What does R mean?

This little symbol was first used by the Greek physician Hippocrates and means "I Prescribe". Meaningless in itself, it becomes, when backed by all the knowledge and resources of the medical profession, one of the most significant symbols in the world. It is indeed comforting to know after your doctor has completed his examination and diagnosed your case, that the key to restored health and the relief of untold suffering, lies in the prescription which he writes for you, and for you alone.
