Virgil Robinson Leads Mountaineer Hitters

Mountaineer right fielder Virgil Robinson led all Waynesville High batters this season with a sparkling .468 average, according to Coach Bruce Jaynes.

Robinson got 15 hits in 32 trips

Second and third were two players who participated in only a few games: Don Ezell, with two hits in five times at bat for a .400 average, and Johnny Wright with three hits in nine times up, for a .333

Second best hitter, however, of the regulars was left fielder Jimmy Frady, with 10 hits in 32 attempts for a .312 average.

see everyone I shall try to tell you here what I stand for

I wish I could visit each of you personally, but since I can't

I am not a politician. I believe that political considerations, family ties and prejudices of any kind should have no part in the decisions of any member of the Board of Education. If elected I pledge that my decisions will in every case be made solely on the basis of what I conscientiously, believe to be fair, honorable, and in the best interests of ALL the school children and citizens of Haywood County, whether these decisions concern school personnel, school maintenance or the construction of new buildings. I believe in the integrity of the people of Haywood County and believe I do not need the support of those who seek preferential treatment—who put personal gain ahead of the educational needs of children in our county.

I believe I am qualified effectively to serve Haywood County as a member of the Board of Education by my education, by my experience in business and industry, by my activity in church and civic affairs and by my special interest in all that concerns children and young people—an interest that is kept very much alive by my son who is a student in our county schools.

The Democratic Primary will be held on May 29, 1954. I will appreciate your support and pledge myself to be worthy of it.

Kuykendalls Praised By **Sports Writer**

Brothers Jim and Bobby Kuy kendall of Hazelwood, both of whom were named on North Carolina's all-star collegiatae baseball team this season while playing with Western Carolina College, were praised in a recent column by sports writer Moses Crutchfield of the Greensboro Daily News, Both boys starred on the Waynesville Mountaineer nine before going to WCC.

Concerning Jim Kuykendall, the Greensboro writer commented:

"One pitchew was Jim Kuykendall, a big right-hander (Kuykendall, actually is left-handed-Ed.) from Western Carolina who posted an 8-1 won-loss record and who gave up only 20 hits in 36 innings of conference pitching. He had a loop record of 4-0. Kuykendall is regarded by scouts as an excellent

In regard to Bobby Kuykendall, Crutchfield wrote:

The catching position provided just about as much competition as any one place on the team. Western Carolina's Bob Kuykendall, a freshman, and Elon's Red McDaniel finally were awarded the two berths over East Carolina's Bill Cline, a selection a year ago, and Bob Bost of Lenoir Rhyne.

"Kuykendal gained strong support in the West and one scout called him the best catcher in North Carolina collegiate baseball. McDaniels, with an even .300 batting average, was the top RBI man hitting badly
