

GO TO CHURCH SOMEWHERE EVERY SUNDAY

Jehovah's Witnesses
Kingdom Hall
107 1/2 Main St
Waynesville
Program for the week beginning June 6, 1954.

4 p.m.—Watchtower Bible study. Subject: "Resurrection, Our Strength-Giving Hope." Scripture Text: I Cor. 15:20-24. NW reads, "However, now Christ has been raised up from the dead, the first fruits of those who have fallen asleep in death. For since through a man, resurrection of the dead is also through a man. For just as in Adam all are dying, so also in the Christ all will be made alive. But each one in his own rank: Christ the first fruits, afterwards those who belong to the Christ during his presence. Next the accomplished end, when he hands over the Kingdom to his God and Father, when he has destroyed all government and all authority and power."
TUESDAY—
8 p.m.—Book study, Bible class. Subject: "The Healing of the Jerusalem Above."
FRIDAY—
7:30 p.m.—Service meeting. Subjects: (Presenting the Good News.) (Your Service Meeting.) (Make Sure of All Things. "Bible Inspiration.")
8:30 p.m.—Theocratic Ministry School. (Instruction Talk.) Ours (e. ed., as, ing. Gen. 3:14, NW.) (1st. Student reading, Ex. 1:1 to 2:22.) (2nd. student reading, Ex. 2:23 to 4:9. NW.) (3rd. student Purpose of the third student—Talk.)
If the people of this world today wish to understand the Bible they have a good deal more to do than to just read the Bible as another book. The Bible is not just another book, it is a canon of 66 books written by more than 30 different men over a period of 1612 years, and yet, all in perfect agreement. Come and join us as we study to gain understanding.—Prov 4:5-7.

U. S. farm experts in January, 1954, were valued at 205 million dollars, about 24 per cent below those of the previous January.
Salt ocean water, heavier than fresh water, often travels far upstream along the bottom of rivers.

Amos Condemns Social Injustice
ILLUSTRATED SUNDAY SCHOOL LESSON
By Alfred J. Buescher
Scripture—II Kings 14:23-29; Amos 7-8.
A terrible plague of grasshoppers invaded Israel because of the king's and people's sins. When the grasshoppers had completely eaten the crops, Amos, God's prophet, prayed "O Lord God, forgive, I beseech Thee."
Amos prophesied the desolation of Israel, so Amaziah, the priest, went to Jeroboam, the king of Israel, saying that Amos had conspired against the king, and "The land is not able to bear all his words."
Amaziah told Amos, "O thou seer, go flee thee into the land of Judah, and there eat bread and prophesy there." Amos answered him, "The Lord said unto me, prophesy unto My people Israel."
Because of Israel's social injustices, Amos prophesied that the Lord would bring a famine when "In that day shall the fair virgins and the young men faint for thirst."
MEMORY VERSE—Amos 5:14.

Shady Grove Methodist Charge
Rev. James H. Coleman, Pastor
Tel. GL 6-5788
SHADY GROVE
There will be no Church School held and all those who desire to attend the Haywood County Day Program will have an opportunity to do so.

7:30 p.m.—Commencement Program for the Bible School.
The average man believes in the church: let him be consistent and go to church.
In 1900, about 200 children out of every 1,000 live births died before they were 1 year old, compared to today's rate of around 20 per 1,000 in several countries.

WHY MERCURY'S NEW V-8 ENGINE IS THE FINEST IN ITS FIELD!

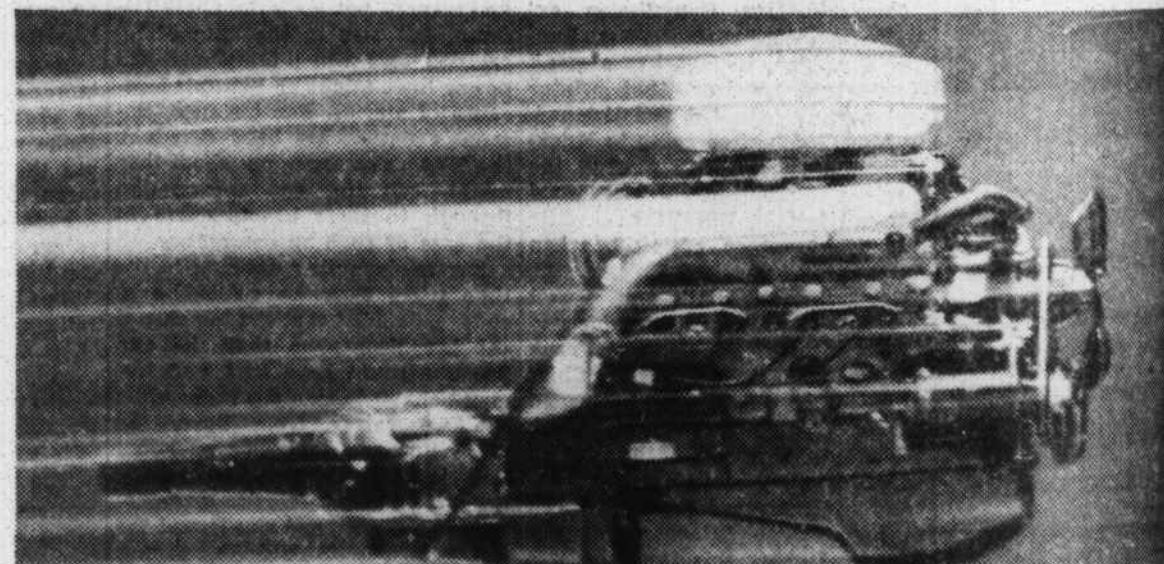

MORE RESPONSIVE (unique, new 4-barrel carburetor) —Only 2 barrels are used for normal driving. But the 2 extra barrels cut in instantly when reserve power is needed. They are vacuum-controlled for smoother response, greater economy.

SMOOTHER OPERATING (5 bearings, 8 counterweights) —Mercury's method of precision molding crankshafts of alloy iron permits a full set of counterweights (8 rather than the usual 6). The result: better balance, virtually no vibration.

MORE EFFICIENT (special high-turbulence combustion chambers) —Wedge-shaped combustion chambers, the result of 5 years' research, swirl the fuel-air mixture past the spark plugs in a miniature cyclone for fast, complete combustion—for more power from less gas. This is the most powerful yet the thriftiest Mercury ever—with .629 hp for every inch of its 256 cu. in. displacement . . . the highest ratio in Mercury's history.

UNMATCHED FOR SHEER RUGGEDNESS (new deep-skirt block) —Mercury's new block extends almost 3 inches below the crankshaft's center line—gives far greater crankshaft support. New short-stroke (3.1") pistons cut engine wear, give 29% more mileage for same amount of piston travel.

TREMENDOUS RESERVE POWER ("over-and-under" intake manifold) —Free-flow passages provide a balanced

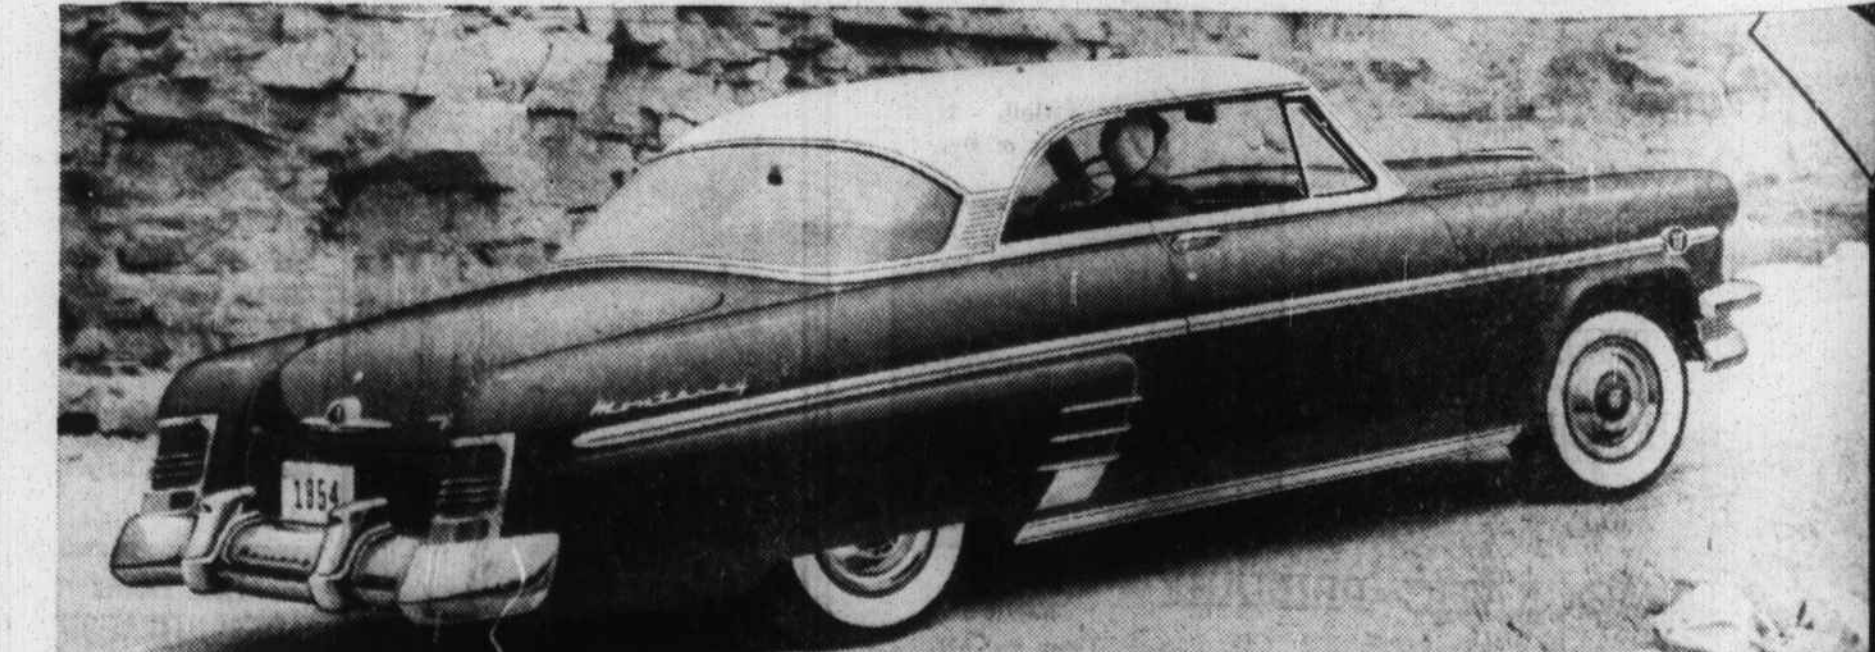

distribution of fuel to all cylinders—permit Mercury to deliver its full 161-hp when needed. In the 4-door sedan, for example, there's one horsepower for every 23 pounds of car.

QUIETER OPERATING (precision balanced) —All major parts are balanced separately, then each engine is individually balanced in operation after assembly—a manufacturing process reserved up until now for only the most expensive engines.

THE SAME HIGH HORSEPOWER IN EVERY MODEL —Unlike some cars with optional, extra-cost "top-of-the-line" engines, Mercury's new 161-hp overhead valve V-8 is standard on every model.

COME IN AND SEE FOR YOURSELF —You don't have to be mechanically minded to understand the benefits of these new engine features. You can feel them on a trial drive. We invite you to stop in at our showroom and do just that.

ENJOY NO-SHIFT DRIVING AT ITS BEST, WITH SMOOTH MERC-O-MATIC DRIVE. OPTIONAL ON ALL MODELS.

IT PAYS TO OWN A **MERCURY** —THE RECORD PROVES IT
