**Farmers 'Catching Up' In Love Joy Section Of County**

By MRS. JOHN W. JOHNSON, SR.  
 Community Reporter

The fine weather of the past  
 week has helped the farmers "catch  
 up" with their work, but they are  
 very much disappointed in the  
 invasion of the armyworm in some  
 of the alfalfa fields. The army-  
 worm is new in this part of the  
 country and is very destructive.  
 Gardens and crops are looking fine  
 considering the cold weather and  
 heavy frosts of the past month.

East Pigeon CDP will meet Fri-  
 day night at 8 o'clock at Bethel  
 School. A welcome is extended to  
 all East Pigeon families who en-  
 joy a good program and group  
 singing.
