One of his biggest boosters is Baron General manager Eddie Glennon. Says Glennon: "Lou's big and smart. He's a real glove artist. He has a rifle arm knows how to put the lid on non flies and has that natural born knack for handling nitches."

The 22-year old receiver is 5 feet 11 and weighs 200 pounds. Berberet is the property of the New York Yankees.

Three Canton baseball players—Charlie Carpenter, George Price, and David Kirkpatrick—have signed to play with Hazelwood in the Western North Carolina Industrial League, it has been announced by Manager Bill Milner.

Carpenter—all too well known to Waynesville fans—pitched the Canton Black Bears into contention for the state Class AA championship and was named on the North Carolina scholastic all-star team this season. A graduate in this year's CHS senior class, he also starred in football and basketball.

Price, a catcher, played professional baseball in Canada, and was on the Enka squad in the industrial loop last year.

Kirkpatrick, a first baseman, held down that position this season for the Duke University Blue Devils.

Because of league rules, the Canton trio will not be eligible for competition until Saturday, June 19.

yet beaten, Martel Mills of Asheville. The tilt will start at 3 p. m. on the Waynesville High field.

Actually the two squads have met only once—Martel copping a 3-0 decision as Hazelwood failed to get a man as far as second base.

Hazelwood has beaten Beacon Mills twice, and Enka and Ecusta once for a 4-2 record, the only other defeat coming at the hands of Ecusta, 9-0, in the season opener at Brevard.

Although the Haywood squad has signed three experienced Canton players—Charlie Carpenter, George Price, and David Kirkpatrick—the team will suffer from losing the Kuykendall brothers—Jim and Bob—who have pitched Hazelwood three of its four victories.

Both were named on the North State League all-star team this season while playing with Western Carolina. Jim is now in Nova Scotia in semi-pro league, while Bob is with the Statesboro, Ga., squad after signing a contract with the Atlanta Crackers.

In the game here Saturday against Martel, Ken "Goon" Rhymer has been nominated by Manager Bill Milner to pitch against the Buncombe baseballers.

Others expected to start are: Lonnie Bishop, second base; Deo Stephenson, shortstop; Babe Yount, left field; Bud Blalock, third base; Elmer Dudley, first base; Pig Troutman, catcher; Bob Pitts, right field, and Bill Milner, center field.

FACTS CONCERNING THE SECOND PRIMARY TO BE HELD SAT., JUNE 26th

Thereby express my profound gratitude for support given me in the first primary.

Second primary has been called. I did not try. After it was called, I entered, and my vote will not cost the County one cent more than it would have cost had I not entered.

Total vote for Representative was 7,537.

Leading candidate received 3,523, which was not a majority of the votes cast. Nominations in our primaries are made by majority vote. Consequently, no nomination for the House of Representatives was made. Under the provisions of the law governing primaries, and under the policies and practices of the Democratic party, the second highest candidate for any office has a right to demand a run-off vote in a second Primary.

Scott won the Governorship in a second primary and paved the way to the United States Senate; Willis Smith won the race for United States Senator in a second primary.

The voters of Haywood County will nominate a candidate for the House of Representatives in the Primary on Saturday, June 26, 1954. Majority rule will then prevail.

I earnestly solicit the support of all voters who have made and who will make me their choice for the House of Representatives.

R. E. Sentelle
