# U.S. Needs Faith To Lead World In Peace

Americans must recapture the 'faith of our fathers" if the world is to be led to peace, two national religious leaders emphasized Sunday at Independence Day observances at Lake Junaluska, the Methodist Church's southeastern summer assembly grounds.

Bishop William C. Martin of Dallas, Tex., president of the National Council of Churches, and Gen. Charles I, Carpenter of Washngton, D. C., chief of air force chaplains, were the principal speak-

"America cannot truly move forward economically, sociologically and scientifically if our homes, churches and leaders do not recapture the dynamic religious faith of the founders of our nation," Gen, Carpenter said in his evening ad-

"Today there is too much emphasis on personal security, we are too interested in trying to impress each other with the authority of the individual instead of giving God as Supreme Authority a chance to Two Primary be seen in our daily lives," the chief of chaplains said.

He cited George Washington and General of the Air Force Hap County \$6,147 Arnold as two outstanding Americans who had "the same dynamic faith of Abraham of old".

"Washington threw aside safety and security, and went through the near disaster of Valley Forge to win America for all of us." Gen. Carpenter said. "General Arnold knew there was more to forging the world's greatest air force in World War II than just men and material

One of Sharp's arms was badly mangled in the wreck and had to be amputated at the hospital. He also suffered head injuries, which rendered him unconscious.

The accident occurred at 11:40 p.m. last Monday as Sharp was racing another car southward on Route 276 near the intersection of the Test Farm road. The vehicle swerved into a ditch, traveled for 215 feet and then reentered the highway where it threw Sharp and a companion out on the pavement. The companion, David Joseph Andrew Davis, 16, also of Canton, suffered a broken right hip.
