## Southern Bell Plans Issuance Of Debentures

"The issue of \$55,000,000 principal amount of 35 year debentures has been authorized by the executive committee of Southern Bell Telephone and Telegraph Company's board of directors, according to an announcement by President Fred J. Turner. The steps taken to issue the new debentures were occasioned, Mr. Turner said, by the need for capital funds to provide Telephone Service in the South. The debentures will be offered for sale at competitive bidding and it is expected that they will bear a date of September 1, 1954. The Fulton National Bank of Atlanta has been designated trustee of the new debenture issue. Subject to the effective date of a registration statement to be filed with the securities and exchange commission the company plans to extend invitations for bids on August 18, open bids on August 25 and if a bid is accepted, settle with the purchasers on September 1. The company was also authorized to retire its \$30,000,000 24 year 3 3/4 per cent debentures, due in 1977. Mr. Turner said this retirement would take place on or about October 4, 1954."

## Bible Words to Live by

COLOSSIANS 2:5—"For though I be absent in the flesh, yet am I with you in spirit, joying and beholding your order, and the steadfastness of your faith in Christ."

This favorite verse tells us that no matter how widely separated we may be from those we love, nevertheless we can be confidently united to them, in spiritual comradeship.

The apostle Paul wrote these affectionate lines in the middle of a deep theological discussion. See how personal they are, and then remember that they were penned in the cell of a jail in Rome.

Paul tells us that physical distance is no barrier to the comradeship of those who cherish spiritual truth and righteousness.

That means a great deal to those whose sons, husbands or lovers are at war-fronts far from home, as also to the bereaved.

Keeping our faith steadfast and in order assures us of this eternal fellowship.
