

Oriental Touch Brought Lambuth Dining Room Chinese Beauty

Classic Oriental beauty who with a soft Georgia drawl near-old Annie Ruth Wong, long is serving for the second year in the dining room of the Inn at Lake Junaluska. Definitely Southern way of "You Ma'am" is in marked contrast to her exotic appearance. Wong wears Chinese red, her hair is styled in a shoulder length bob in the back, with tiny flowers. Interest in clothing has led her to plan a career in fashion design. She is a rising junior at the College, where she plans to major in fashion design as a candidate for a bachelor's degree in arts.

EAST AND WEST MEET in the person of Annie Ruth Wong, whose family is Chinese and whose background is Georgian. Miss Wong is working this summer in the dining room at Lambuth Inn.
