Snake Upsets Trip

CLIFTON FORGE, Va. (AP) Mr. and Mrs. Roy K. Dotson were en route by auto to some grocery shopping when Mrs. Dotson noted a four-foot snake under her feet. While Dotson tried to swing off the highway to park Mrs. Dotson hurriedly transferred to the rear seat only to find the snake had beat a retreat underneath the front seat while she went over it. Dotson cut his hand trying to kill the snake, which finally took refuge under the back seat. A reluctant Mrs. Dotson entered the front seat and kept a keen eye on the back while Dotson drove into town. He got medical treatment for the cut hand and help in dislodging the reptile.

It was identified as a harmless variety
