when a reward was offered. Randolph Scott, cast as the proud, taciturn bounty hunter, has for years maintained his position among the top ten boxoffice attractions. In Warner Bros. "The Bounty Hunter" Scott portrays the role of a man who is hired to find three killers who have become respectable citizens of a Western community in order to hide their past crimes. The fathom, six feet, represents the reach of a man with outstretched arms and, divided, it is two yards.
