The Younger Set

By PEGGY REEVES And SUZANNE CURRY

Hi folks! Here we are again to tell you all the latest. Wasn't that a wonderful football game and halftime show Friday night? Did everyone enjoy the Sock-Hop afterwards?

The ball game has been thoroughly publicized, and we're sure you all know the details by now. But we want to tell you a little bit about the halftime show. The Brevard band opened the show by forming a large sunburst, and while they played "The World is Waiting for the Sunrise," the field lights were turned off. Their part of the show continued with a duet, then solo twirling routine with lighted batons. These routines received a well-deserved round of applause.

Next came our three senior majorettes, Peggy Reeves, Jackie Carswell, and Judy Abbott twirling "fire batons". We all held our breath when they began to "throw that fire around". It was a wonderful show. People, let's see some more of these "dark" shows!

Tuesday morning in our assembly we were entertained by the singing of "Pooch" Troutman, the guitar-playing of Dale Caldwell and the singing and guitar-playing of Bobby Hill. These boys are going to entertain us for a longer period of time in the near future.

Friday, Waynesville High School entertained members of the PTA from Western North Carolina. They held their general meeting in the auditorium, and were served luncheon in our new cafeteria. During the session, the high school chorus sang several numbers.

Tuesday afternoon and evening members of the 280th District of Rotary International held a luncheon and a banquet in the high school cafeteria. Boy Scouts served

ed these Rotarians. The high school chorus presented several numbers during the evening.

Some of the folks who sit in the reserved section of the stadium have requested that the cheerleaders come over to their side once in awhile and cheer. Come on, cheerleaders, let's get over there and lead these folks in a few yells and stop by the band section on the way back! Thanks!

Football season, we believe, is just here instead of nearly gone. If you don't believe us just ask any one who sat in the cold and watched the Waynesville-Brevard game through the 0-0 tie. With the excitement of the game, halftime show which the Waynesville and Brevard bands put on, and the Sock-Hop, all the coldness was forgotten (with a few exceptions).

Speaking of the Sock-Hop, we want to say it really was a big success. The new members were really in for a surprise as they had to put on a floor show for us. Another big surprise was the "Mystery Man" who, after Bette Linger guessed his identity, turned out to be Herman Fie. We are sorry to say that Brevard had to turn down the invitation but we had a very large crowd attending.

For entertainment we had, of course, the new Tally-Ho members, dancing the bunny-hop, and last but not least, Mr. Bowles got into the swing of the music and did a jitterbug and the shag. We'll forgive Mr. Weatherby for not accepting the offer to dance 'cause we realize he did fight a hard game. Thanks, boys, you're both good sports! We also want to thank all the committees for their help in making this Sock-Hop a big success.

Last Tuesday night the Little
