

W. AVERELL HARRIMAN, candidate of the Democratic and Liberal parties, was elected governor of New York over Republican Senator Irving M. Ives. Harriman came through with a bare 10,000 or so margin out of five million votes cast.

J. STROM THURMOND, former South Carolina governor and presidential candidate on the States Rights ticket in 1948, was elected to the U. S. Senate Tuesday in a national precedent write-in campaign.

Presbyterian 50th Anniversary Set At Canton

The Canton Presbyterian church will observe its 50th anniversary this weekend with appropriate services. Saturday evening a reception will be held for members, former members and for former students who attended the school which was conducted in the church building during the early years. Invitations have been sent to all former members and students who can be located. A program of music will be presented during the reception, and a short film showing the ground-breaking for the present church building will be shown. A program for children will be provided in the Sunday school building during the evening. Sunday morning a special anniversary service will be held at 11 o'clock when the pastor will speak on the theme, "Jesus Christ the same yesterday, today and forever". There will be a communion service at 7:30 p.m., for thanksgiving and dedication.

Juke Box Can Park Your Car

AUTOMATIC — Inventor William Spencer looks on while Lacey Dennis uses the new coin-operated gate for a parking lot in Louisville, Ky.

AP Newsfeatures. LOUISVILLE, Ky.—Now comes juke box parking lots. You put your two-bits in the slot, the gate opens and you drive in and park your own car. Fritz W. Drybrough is trying out the mechanical innovation on one of his Louisville park lots. He expects to get new revenue at night, when the volume of parking isn't sufficient to warrant paying an attendant. The collection box will take a quarter or three dimes. Upon being properly fed, the machinery goes into motion. The railroad-type gate rises and the car is driven into the lot. As it crosses a trestle set in the pavement, the gate falls again. Now you are in and you want out. Another trestle opens the exit gate and it closes behind you. The inventor is William B. Spencer, a 30-year-old Chicagoan. The automatic arrangements are in effect only during the time the lot has no attendant—at night. The machine does not give change for three dimes. The lot keeps it. Motorists who don't have a quarter get stuck for an extra nickel.

PVT. JAMES S. GRASTY has returned to Ft. Jackson, S. C. after spending a 14-day furlough with his mother, Mrs. Clarine Grasty, Route 1, Waynesville. Pvt. Grasty has just completed basic training at Ft. Jackson and will now start a special eight-week training course.

BIRTHS

At the Haywood County Hospital: Mr. and Mrs. Arthur Lee of Canton, a daughter, November 1. Mr. and Mrs. Fred Green of Clyde, a daughter, November 1. Singing Planned At Red Bank Church

The regular first Sunday monthly singing at the Red Bank Baptist Church will be held Sunday evening, November 7. The singing program will get under way at 8 o'clock and will feature a number of local singing groups. The pastor and members of the church extend an invitation to singers to participate and to the public to attend.

Army Hospitality

BOWLING GREEN, Va. (AP)—The Army has issued invitations for a reunion here. It will be for some 400 persons displaced when the 80,000-acre A. P. Hill Military Reservation was created in 1940.

Canton High Campus Cuffnotes

By LINDA BRIGGS

Canton High came out victorious again last week when they scored 46 points over the Blue Ridge School for Boys. A large crowd attended the game in spite of the cold weather, but an even larger crowd is expected this Friday night when the Black Bears face the Marion team for their homecoming game and the end of football for this season. Half-time festivities will include a program of Sousa's marches by the combined Canton and Marion bands and the crowning of the Homecoming Queen. After the game a party will be given in the gym by the Student Council. Last Friday in assembly, with the compliments of the Student Council, a movie was shown entitled "The Prior Claim." This movie, dealing with nature's inventive genius, was well received by the students. On Saturday the band journeyed to Cullowhee for the homecoming game after which they enjoyed a homecoming party. The group arrived home about one-thirty that night pretty tired and cold but I understand they had a very enjoyable day. Last week I said I'd report on the Dramatics Club this time, so here goes! Officers this year include Frank McCracken, president; Christine Fisher, vice president; Mildred Duckett, treasurer; Ann Cody, secretary; Melissa Osborne, program chairman; and Shirley Clappitt, reporter. The club plans to assist the Dramatics Class in presenting several plays this year.

Boy's Dream Career

KALAMAZOO, Mich. (AP)—For most boys, the question of whether to be a jet pilot or a fireman is just too much. But Chet Douglas is both. As a member of the Kalamazoo Fire Department, he roars down city streets riding the great red trucks. As Capt. Douglas of the Michigan Air National Guard, he roars into the wild blue yonder and has twice broken the sound barrier.

Kansas Imports Wheat

LINCOLN, Neb. (AP)—Nebraska is shipping wheat into milling centers in Kansas, normally known as the "Wheat State". The unusual situation results from the fact Kansas was not able this year to produce enough of the high-protein wheat demanded by millers, say state Agricultural Stabilization and Conservation officials. We'll enjoy hearing about their activities at the convention.
