Living Dangerously

PHOENIX, Ariz. (AP) — Cattlemen are still pretty independent in Arizona — and apparently as fearless as when they fought Indians for their ranges. It has taken a court order to prevent six Pima County cattlemen from keeping their cattle on the Air Force's 600,000-acre bombing and gunnery range west of Ajo, 90 miles southwest of here.

land, sea or in the air. There are also openings in the aviation cadet program and for assignment to duty at sea.

Sgt. Lathrop will be at the Waynesville post office each Thursday to interview young men and women that are interested in an enlistment with the Marines. Sgt. Lathrop, who resides in Hazelwood, said anyone may call at home, GL 6-3145, for an appointment at any time.

Roan Mountain Will Be Sold Here

Balsam trees grown on Roan Mountain in Pisgah National Forest will be sold here this Christmas season by a contractor at his cafeteria and street.

All trees sold will be of the U. S. Forest Service. The contractor will feature a picture of "Santa's season's greetings" in addition to "Help Prevent Fires". On the other side of the Forest Service contractor brings a Christmas tree from the great outdoors. The tree is not destructive and needed room for neighbors to grow faster and be cut under the supervision of U. S. Forest Service National Forest.

Rev. Mr. Perry Ordained Into Priesthood 15th

A service of ordination for the Rev. James Young Perry, Jr., will be conducted at Grace Church in the Mountains, Wednesday morning, December 15, at 10:30. This will be the second ordination to the priesthood ever conducted in the history of the 86-year-old church.

Several prominent clergymen are coming to Waynesville from distant points to take part in this impressive and unusual service. The ordination itself will be conducted by the Rt. Rev. M. George Henry, Bishop of Western North Carolina, who will also administer the sacrament of Holy Communion.

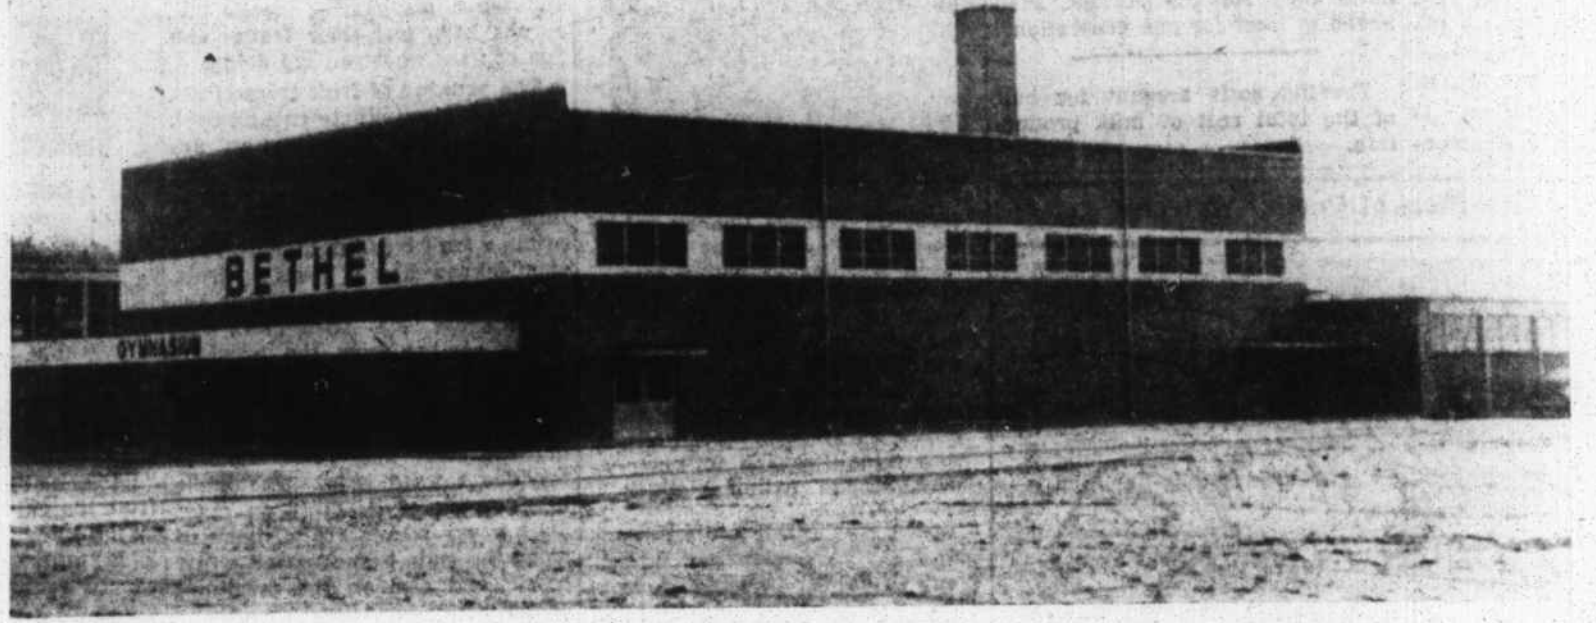

The Rev. Moultrie Guerry, rector of Old St. Paul's Church, Norfolk, will give the sermon. He is the uncle of Rev. Mr. Perry. The Rev. H. Roger Sherman, St. Andrews, Canton, will present the candidate and the Rev. Howard Hickey, St. George's Episcopal Church, West Asheville, will be the Litanist.

Reader of the Epistle will be the Rev. John Lodge, Athens, Tenn.; and Reader of the Gospel, the Rev. P. R. Bailey, Clarksville, Ga. Both were close friends of Mr. Perry during his seminary days at St. Luke's in Sewanee, Tenn., and at the Berkeley and Yale Divinity Schools, New Haven, Conn.

In addition to the Grace Church congregation, those who have been invited to the service include all Episcopal clergy in the Diocese, and friends and family of Mr. and Mrs. Perry. The service will be followed by a luncheon in the Parish House.

the final step in a long difficult trial required of Episcopal clergy. Following three years of seminary, which is a graduate school after college work, a man becomes a deacon upon successfully passing a set of examinations. Six to twelve months later he may take another set of exams, comparable to bar exams for the law or state medical boards, before a Board of Examining Chaplains. Once ordained and elected by a Vestry, he fulfills the duties of a priest in administering the Sacrament, a rector in administering the affairs of the church, and as a pastor in seeing to the needs of the parishioners and making pastoral calls.

NEW BETHEL HIGH SCHOOL BUILDING

ANOTHER JOB OF WHICH WE ARE JUSTLY PROUD—

It is with great pleasure that we turn over the keys of this new and modern school building to the Haywood County Board of Education.

At a cost of \$532,000.00 this is one of the finest and best equipped buildings of its kind in the entire South. Only the very best materials and equipment were used in the construction of this modern school.

We feel that it is a great forward step in the direction of better education and progress for the people of this county, therefore we are doubly proud to have been called upon to construct this modern building.

We heartily congratulate the members of the Haywood County Board of Education on the occasion of the formal dedication of this new addition to Haywood's efficient school system.
