Hazelwood Lions Give All Officers Permanent Posts

Temporary officers elected by the newly organized Hazelwood Lions Club were named to permanent posts for 1952 at the last meeting of the organization. The officers are: Clyde Fisher, president; Ralph Summerrow, first vice president; Charles McCall, second vice president; Kyle Campbell, third vice president; R. L. Hendricks, secretary; Jack Bass, treasurer; Joel Arrington, Lion Tamer, and Hollis Chase, Tall Twister. Directors are Lewis Green, Sam Lane, Elmer Dudley, and Howell Bryson.

The Lions also voted to make a Christmas Dime Board the new club's first civic project. A board will be set up in front of the Hazelwood Pharmacy to raise money for shoes and clothing for 34

the things which have been done in their behalf. Now to the teachers, who would charge them with a great responsibility, not one of just housekeeping but of building character and citizenship.

Let us now with earnest hearts and exalted faith and hope solemnly consecrate this building to its high and holy purpose. May the youth of this community for generations, to come gather in this place to receive instruction in knowledge and training in virtue. May they find here every condition necessary to a true and enlightened education. Especially, may their teachers be examples of excellence in scholarship and character, seekers after goodness and truth, lovers of children, enthusiasts and adepts in the finest of all arts, the development and inspiration of human souls. May these rooms always be pervaded with an invigorating atmosphere of mental and moral life, and may no child pass from one grade to a higher grade or to the outer world without having been made more intelligent, more thoughtful, more courageous, more virtuous and in every way more capable of wise and just, of useful and noble living.

Immediately following the formal exercises parents and visitors toured the new building and viewed special home-room exhibits. Refreshments, served by the PTA, luncheon workers and home economics department, was the final event of the evening.

Professional Handcuffs

PHILADELPHIA (AP) — The Philadelphia Police Department is ordering 200 new pairs of handcuffs: It seems someone in the

department decided that a patrolman holding a prisoner by his belt looked unprofessional. Up until now police officers had the option of purchasing handcuffs on their own if they wished

but most of them used the belt method or grabbed the prisoner by the cuff of his sleeve. Want Ads bring quick results

Studies have shown that the quantity of good forage a milk cow gets should be 2 1/2 times the weight of grain fed. This helps keep food cost down and milk production up.
