ENJOYING A VACATION from their school classrooms Wednesday morning were these Waynesville and Hazelwood youngsters, sleigh riding on a hill at the Country Club. Some boys, without sleds, slid down the slope in large boxes, but usually upset before reaching the bottom. (Mountaineer Photo).

Mrs. Ava Barrett has returned to her home after having undergone minor surgery at the Haywood County Hospital.

Mrs. Paul Harkins and Mrs. J. Edgar Burnette entertained with a surprise linen shower for the latter's niece, Miss Marie Burnette, of Detroit, Mich., who is visiting relatives here, last Thursday evening.

Miss Burnette, the daughter of Mr. and Mrs. Rowland Burnette formerly of Haywood County, was presented a corsage of pink carnations. A pink and white motif was carried out in the decorations and refreshments, and bowls of mixed flowers were used in the living room.

Guests included relatives of the bride elect, whose marriage to Philip Jensen of Detroit, Mich., will be held in the early spring.

Mr. and Mrs. William Metcalfe announce the birth of a son at the Haywood County Hospital, January 19.

A bake sale sponsored by the Bethel FHA will be held at Canton Electrical Appliances on Main Street in Canton, Saturday, January 22.

Activity has slowed to a minimum at Canton High and the outstanding words of the week are study, review, and study some more! Why? Exams started, Wednesday morning, and students who aren't exempt know better than to loaf this week.

Dale Childers received the largest number of votes in the election

January 22. On sale beginning at 10 o'clock and continuing throughout the day will be homemade cakes, cookies and pies. Proceeds from the sale will be used for the Mother-Daughter Banquet of the Bethel High School.

Mrs. Glenn Chambers, Mrs. Fulton Burnette and Mrs. Jerry Reece entertained with a miscellaneous shower honoring Mrs. Bill Garrett at the home of the latter on Inman Branch Road Saturday evening.

Around twenty-five guests attended the affair.

Mrs. Garrett is the former Miss Doris Chambers, daughter of Mr. and Mrs. Burlen Chambers of Lovejoy Road and Mr. Garrett is the son of Mr. and Mrs. Jim Garrett of Waynesville, Rt. 1.

of Junior Marshals, and so the title — Chief Marshal — was bestowed upon him. Other marshals include: Joe Rhinehart, Eugene Van Hook, Smith Nichols, Marianna Moon, Linda Moore, Janice Early, Joyce Branson.

Last Friday in chapel two movies were presented. A recent football game between Wake Forest and Duke was made even more interesting by the fact that Assistant Coach Guido Scarton was playing on the Wake Forest team. The other movie "They Shall Not Want" featured actress Helen Hayes in an appeal for the March of Dimes. The annual drive to collect money for the March of Dimes will begin Monday at Canton High, so save your change and keep that in mind.

Canton's Black Bears were very successful again last week in both basketball tilts. The boys walked off with another victory when they defeated Owen High (Black Mountain — Swannanoa) Tuesday night. The girls lost their game by a few points, that night, but bounced back to defeat the Biltmore girls, Friday night. The boys defeated Biltmore, the leading team in the Buncombe County Conference, and they look like they're on their way to another highly successful season.

The Rainbow girls held their second initiation ceremony, last Wednesday night, at the Masonic Hall in Canton. This organization, sponsored by the Eastern Stars, is continually growing, and serves as a meeting place for girls from Canton, Waynesville, Bethel, Clyde, and surrounding areas.

Another mistake? How careless! The class baby girl of 1955 is Frankie Owen and not Dianne Jones. Correction made. Apology accepted?

## Hamburger Sale Fund Will Go To Polio Campaign

The highly successful Hamburger Lunch Sale, a special event of the Hominy-Beaverdam-Thickety polio workers last year will be repeated again this year on January 28.

Plans for the lunch sale already well under way are being carried out under the direction of Mrs. Ernest Branson. Over 100 lbs. of hamburger have been donated by Canton grocers to the energetic cooks.

Headquarters for the lunch preparation and sale is the Champion YMCA. At this time it is expected that deliveries of lunches to nearby places will be made but lunches may also be obtained at the YMCA gymnasium itself.

A deadline for placing luncheon orders has been set. Yoder Clark, who is connected with the project, warned.

Orders for lunches after Tuesday, January 25, cannot be accepted.

SILENT beneath a blanket of white is Waynesville Township High School, without its usual throng of hundreds of students. There were no schools in session in Haywood County Wednesday—and probably none in neighboring counties in Western North Carolina since the snow which started Tuesday night was general throughout this region. ## \$250 Raised For Polio By Singing Group On Sunday

Over \$250 was raised for the 1955 March of Dimes Drive at a singing convention in the Meadow Grove Baptist Church near Cruso last Sunday afternoon. The songfest, promoted by Yoder Clark and his Hominy - Beaverdam - Thickety workers for the benefit of the 1955 drive proved more successful than expected.

Clark said that he and the Rev. T. T. Heatherly of the Meadow Grove Church were hardly able to contain their excitement.

This \$250 represents a part of some \$1,100 already deposited at the Haywood County Bank in Canton for the Canton - Bethel - Clyde area drive.

Not yet complete, nor deposited contributions from employees of the Champion Paper and Fibre Company appear to total more than \$400 according to J. J. Martin who heads the drive there. Mr. Martin says some departments have contributed 100% to the polio fund.
