States Receive Red Cross Gamma Globulin Supplies

Shipment of 500,000 cubic centimeters of the blood derivative immunizer. For the past two years, March 5, at 7.30 p.m. gamma globulin to state and terri- however, the Red Cross GG suptorial public health officers was ply was contributed to a national announced today by the director of pool under control of the Office of the American Red Cross blood Defense Mobilization, and ODM

Dr. David N. W. Grant, program director, said shipments mark resumption of Red Cross distribution | Cross the balance remaining of its | the public to attend the program. of GG for use in combatting measels, hepatitis and infantile paralysis, Approximately 1,000,000 CC's is expected to be available this year, he added.

The Red Cross first began GG distribution in 1944, as a measles bution and use in their areas,

was responsible for distribution.

On January 1, ODM relinquished control and returned to the Red by the group to all singers and to

Dr. Grant emphasized that the Red Cross allocation plan will continue to utilize facilities of state and territorial health officers, who will determine methods of distri-

contribution to the pool.

Ninevah WMU To Sponsor Singing

A singing will be held at the Ninevah Baptist Church Saturday,

The program which is being sponsored by the Woman's Missionary Union of the Church will feature a number of well known singing groups from this section. A cordial invitation is extended

In keeping with the Red Cross policy, he said, no charge will be made for Red Cross GG to persons receiving it.
