

The Younger Set

By PEGGY REEVES
And SUZANNE CURRY

Tuesday during assembly, the senior high school held its annual spelling match. Last week each grade selected its outstanding speller. Selected from the twelfth grade was Betty Mehaffey, from the eleventh grade was June McClure, from the tenth grade was Roy Lee Fulbright, and from the ninth grade was Judy Davis.

Mr. Bowles conducted the spelling match. In a short time, Judy Davis "spelled down" her three opponents.

Judy will represent WTHS in the county spelling match to be held in Bethel in April.

Ilse Feichter was hostess to a slumber party Friday night held at "The Lodge" for a few of her friends. The party began with a movie and ended late at home. The girls sat around the fire telling many weird tales before going to bed.

The girls said good-night as dawn was breaking. When they awoke the girls divided into crews for fixing breakfast. After breakfast they bid their hostess "good day" and departed for home to get some sleep. Ilse's guests included Rita Kitchen, Colleen Kuykendall, Pat Caldwell and Hilda Bowin.

Recently while reading a Photo-play book, we came across the following article which was printed in a high school paper in DeLand, Florida. We thought the Waynesville High students and faculty would be interested.

"Wouldn't it be nice if: School began at 12 noon; We got out an hour for lunch; we were awarded cars instead of grades... we had jets instead of school buses; chewing gum and laughing in class were required; roll call was never called; Monday morning wasn't; skipping school was a course; we had a 'faculty like this: English—Debby Reynolds, Roy Calhoun; Science—Jane Russell, Rock Hudson; Languages—Zsa Zsa Gabor, Fernando

Lamas; Chemistry—Boris Karloff; Speech—Tallulah Bankhead, Edward G. Robinson; Music—Doris Day, Howard Keel; Physical Education—Marilyn Monroe, Burt Lancaster; Drivers' Education—Marion Brando." Wouldn't it be nice, though???

Baseball season will soon be starting and along with it we want to see more spirit among the students at WTHS. It is true that baseball doesn't have as many "fans" around Waynesville as football and basketball but we should always remember, it is our school the team is representing and they want more encouragement and support from the students and folks around Waynesville.

This Year Bake a Hot Cross Loaf

HOT CROSS LOAF—A traditional Lenten favorite.

By CECILY BROWNSTONE
Associated Press Food Editor

HOT CROSS BUNS! Of course you want to serve them during the Lenten season and you'll probably buy some at your favorite bakery. But how about trying your hand at a couple of homemade Hot Cross Loaves? Using a time-honored method, the recipe for these loaves calls for mashed potatoes. You'll like the flavor, too, that the inclusion of freshly-grated lemon rind and raisins bring.

Ingredients: 3 medium-sized potatoes, 2/3 cup milk, 2/3 cup sugar, 1 1/4 teaspoons salt, 2/3 cup butter or margarine, 2/3 cup water. 2 cakes compressed or 2 packages active dry yeast, 4 eggs, 6 cups sifted flour, grated rind of 1 lemon, 1 cup raisins (rinsed in hot water and drained), 2/3 cup sifted confectioners' sugar.

Method: Pare and boil potatoes; drain and put through ricer or mash until smooth. Scald milk. Stir in sugar, salt, butter and 1 1/3 cups of the rice or mashed potatoes. Cool to lukewarm. Measure water into a large mixing bowl; use lukewarm water (near 95 F) for compressed yeast and warm but not hot (near 105 F) for active dry yeast. Crumble or sprinkle in yeast; stir until dissolved. Add lukewarm milk-potato mixture.

Beat three of the eggs enough to combine yolks and whites and add to yeast mixture. Stir in half of the flour and the lemon rind. Beat until smooth. Add remaining flour or enough to make an easily handled dough. Turn out on lightly floured board and knead quickly and lightly until smooth and elastic—about 8 to 10 minutes. Let rest until doubled in bulk. Punch dough down and turn out on lightly floured board. Knead raisins into dough. Divide dough in half. Let rest 10 minutes and shape into loaves. Place in greased bread pans (each 9 by 5 by 3 inches). Separate remaining egg; beat egg yolk with 2 tablespoons water and brush loaves with the mixture. Cover loaves and set in a warm place, free from draft, until doubled in bulk. Bake in a hot (400°) oven about 45 minutes. Beat remaining egg white until foamy and add enough to confectioners' sugar to make spreading consistency. Drop from tip of spoon, making crosses on tops of warm or cold loaves.

Note: Dough may be shaped into loaves this way. Cut round ball of dough in half. Flatten ball with fingers and press into an oblong (9 by 7 by 1 inches). Fold 7-inch ends of oblong to center, overlapping slightly. Press each side down firmly; pinch center fold and ends together and place loaf, sealed edge down, in greased pan.
