

Canton High Campus Cuffnotes

By LINDA BRIGGS

Canton High is almost back to normal now since the Seniors have returned from Washington and resumed the old schedule. Talk among the Seniors is still predominantly about their trip which

will long be remembered. The following is a brief account of the visit to Washington as told by Mildred Duckett, one of the Senior girls who made the trip:
"Monday morning, March 28th,

CAUGHT IN BUS-TRUCK WRECK

STATE HIGHWAY patrolmen and a passing motorist help Joan Walker from the wreckage of a Greyhound bus that crashed into the rear of a lumber truck near the Marin-Sonoma County line in California. The driver of the bus was killed and 11 of his passengers were injured. The vehicle was en route from San Francisco to Portland.

found the Canton bus station crowded with jubilant seniors eager to get started. Here it was at last, the Senior trip dreamed about all through the high school years. The enthusiasm subsided slightly during the long trip, only to burst forth again when the glowing lights of the capital city came into view late Monday night. The visit to the capitol building Tuesday morning

marked the beginning of our official tour. Among the numerous places of historical and national interest we visited during our three day tour were the F.B.I. Building, the Capitol, the Museum of Natural History, and the Lincoln Memorial. During the week, new friendships were established, unforgettable incidents were stamped on our memories, and probably for years to come all who made the trip will smile when someone mentions an eyeball check, George Gobel, or points at them and says 'howdy'."

While the Seniors were away, the Junior Class stepped into the spotlight. Not long ago the Juniors were measured for their Senior rings which will arrive sometime next fall. The rings are a standard design and will be like the Senior rings this year.

Plans for the Junior - Senior Prom, which will be held April 20th, are advancing rapidly. The Juniors are doing their best to keep these plans secret so that the biggest social event of the year will be a surprise for the Seniors in whose honor it is given. A large group of Freshmen and Sophomore girls were chosen last week to serve at the banquet. We thought they might let their guard down and tell something, but they haven't, so the big questions are still unanswered.

The student body wishes to express its thanks to the Student Council for the fine movies which have been shown in chapel this year. All of us enjoyed seeing one of them in chapel last Friday.

Dale Childers, vice-president of the Student Council, announced in chapel last Friday that the Council is sponsoring a "No Waste" campaign. This began last Monday morning and is divided into two divisions, conservation of student property and conservation of school property. A poster contest is part of this campaign and three prizes will be awarded in both divisions. If enough posters are not entered in the contest, it will not be worth while to award prizes, so if you are interested in winning \$5.00, \$3.00 or \$2.00 get busy now on posters for the "No Waste" campaign.

A large number of students are planning to travel to Western Carolina College Friday for the annual Cullowhee Field Day. Canton High will send representatives from each department and class in school to enter the competition. A big responsibility rests on these students for last year Canton won three of the four first place trophies offered, and placed second in the fourth division, and we're looking for another fine showing.

BOB POOLE, popular radio star of WBIG says, "My wife has always used light Karo for cooking... and on the table—it's

dark Karo for me, the best-tasting eating syrup of 'em all'

Yes, indeed...biscuits go like hot cakes when you pour on plenty of delicious dark Karo... there's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night...it tops anything!

Ask your grocer for DARK Karo, in pint and quart bottles

It's SPECIAL because it's "Premium Flavor" Coffee!

"The Best Part of the Meal"

GET THROUGH MUD AND MUCK WHEN OTHERS FAIL 'Jeep'

With the extra traction of its 4-wheel-drive, the 'Jeep' Truck will take you through spring mud and muck. It climbs grades up to 60% fully loaded.

Dual purpose carries both passengers and cargo. Has over 100 cu. ft. of cargo space. Wide rear doors admit bulky loads. Interior is washable.

this year. Friday night is the big night for the Dramatics Club, as they will

present the play "Crown of Thorns" on which they have been working so long. Tickets are 25c for students and 50c for adults and will be on

sale at the door Friday night. The play begins at eight o'clock, but we advise you to come early so you can get a seat.

From the Atlantic, the Canal runs southeast, and the Pacific, says the National Geographic Society.
