

Hazelwood Reports On Five 'Finer Carolina' Projects

A report on five "Finer Carolina" projects at Hazelwood was made this week by Mrs. Rudolph Carswell, publicity chairman.

The report reads:

PROJECT I. School Improvements and Grounds Beautification. Hazelwood School plans a flag presentation ceremony in the near future.

PROJECT II. Recreational Activities.

Plans have been made for a parade, with band music, of players in the Mountaineer Little League, Midget League, and Pony League on May 28. Arrangements are now being made for coaches, schedules, and teams for the three leagues.

PROJECT III. Town Improvements and Beautification.

1. Shrubs have been planted at the fireplace on the playground.

2. Mayor Lawrence Davis proclaimed a "clean up, fix up" week.

3. More dogwood trees have been planted. The chairman of this committee in Hazelwood has worked with committees in Waynesville, Lake Junaluska, and Clyde to promote the planting of dogwood in this section of the county.

4. Picnic tables have been made and are ready to be installed at the fireplace.

PROJECT IV. Religious Activities.

1. All churches cooperated in the Presbyterian revival.

2. New pews were installed in the Church of God.

3. Junior Police boys have at-

tended three different church services in a body with their advisor, Police Chief Roy Stephens.

4. Hazelwood churches' welcoming sign on Highway 19A-23 has been repainted and the name of the Seventh-Day Adventist Church added to the list.

5. The North Hazelwood Baptist Church workers have completed the roofing of its new building and the covering of outside walls with construction felt. Windows are next to be installed.

PROJECT V. Social Activities.

1. A Daniel Boone Council of

Boy Scouts court of honor was held in Waynesville April 18. This ceremony proved to be outstanding because each step in Scouting was represented. Boys were presented with Tenderfoot, Second Class, First Class, Star, Life, and Eagle awards and merit badges. The president and past president of Daniel Boone Council were present and each made an inspiring talk.

2. Junior Police boys were presented cap badges and belts at a public ceremony.

West Pigeon Has Number Meetings On The Schedule

By MRS. CLIFTON TERRELL
Community Reporter

The West Pigeon Community Development Program met Thursday night at the Bethel school.

Mr. and Mrs. Lester Fore spent last weekend at Bristol, Va., with Mrs. Fore's brother, Bill Hyatt and family.

Mr. and Mrs. Clifton Terrell spent last week at Wilmington,

where Mr. Terrell attended the Grand Lodge of North Carolina. They heard a number of operatic stars in Wilmington, who were brought in for a special musical program.

Enroute home the Terrells visited Raleigh and points of interest there.

Members of the Bethel Presbyterians held a dinner meeting at the School recently and heard Dr. Thompson, of Atlanta, talk on the "Lord's Acre Plan".

Henry Hope led a group of Bethel Presbyterians to Montreat on Tuesday for the spring meeting of

the Asheville Presbytery.

Sonoma Chapter No. 254, Order of the Eastern Star, met Tuesday night at the Lodge. Mrs. Villa Mac Stevens, district deputy grand matron, installed Mrs. Polly Nix as associate conductress of the chapter.

Mrs. Lou Singleton, worthy matron, was in charge of the meeting.

The Pigeon Valley Lions Club was in charge of the meeting. They will hold their regular meeting Thursday night, April 28, at the school lunchroom. The women of the Bethel Presbyterian church will serve.

Acquitted After Confession

DENVER, Colo. (AP)—A man, 48, was fined \$300 by a federal court, and acquitted, after a confession. Each of the two yellow fire plugs, each admitted to have been tampered with, was found on the fire plug. The man, Judge Pooler, is in jail. Judge Pooler, because the man proved which fire plug

RUPTURED?

Here's NEW Comfort and Support for reducible inguinal hernia

Futuro Hernia-Aid is designed to give BALANCED Support at work or play. Bend, stoop, lift, sit in comfort. As recommended by many doctors, both sides are supported, even in cases of single rupture. This protection gives greater comfort and safety, relieving pressure and making a rupture on the other side less likely to occur.
