The Mountaineers won their School back to Arden on the short end of a 7-2 score.

The Gold and Black diamond crew, who have lost only to Bethel thus far, will be after "the big one" here Friday afternoon when they collide with the Canton Black Bears at WTHS.

Canton has lost once to Brevard, but has beaten the Blue Devils in a second game and has also tamed Hendersonville and Asheville School.

Coach Bruce Jaynes of Waynesville announced Wednesday that he will be sending his ace George Mitchell to the mound tomorrow against Canton. Mitchell was hurt in a wreck April 15, but appears to be back in top form again. The senior hurler was charged with the loss to the Blue Demons, but was still below par from his back injuries.

In beating Christ School Tuesday, the Mountaineers got only one more hit than the visitors-6-5but got them when it counted. Top hitters for WTHS were Bobby Hill and Johnny Wright, each with a pair.

Waynesville opened the scoring in the second inning with three runs as Ballance was safe on an error, Davis singled, Roberson struck out, Muse bounced out. Stephens was safe on an error and took second when the ball was thrown away -permitting Ballance to score, and Wright singled, scoring Davis and Stephens

And 5,000 spectators are expected to crowd the speedway to watch Johnson and Thompson resume the duel they began April 17. Sluder termed that race "the toughest one I've ever seen."

Time trials Sunday will begin scheduled to go off at 2 p.m.

The program will include two 10lap heats, a 15-lap consolation, the 30-lap main event for modified and sportsman drivers, and a 35-lap run for amateur drivers. Sluder said Tommy Boger, who
