Joash Repairs the Temple

ILLUSTRATED SUNDAY SCHOOL LESSON

By Alfred J. Buescher

Scripture—II Chronicles 21-24.

Joash, infant son of Ahaziah, was hidden by his aunt, when his brothers were slain. When he was seven years old, however, the priest Jehoiada and the princes, brought him out and crowned him king.

King Joash wanted to repair the house of the Lord. He ordered the Levites to gather the money, but they were slow to do so. Joash chided them, then had a chest made and put at the temple gate and it was filled.

When the chest was full the Levites took it to the king's office. Workmen were hired and they "wrought, and the work was perfected by them, and they set the house of God in His state, and strengthened it."

When the repairs were finished the rest of the money was taken to the king and priest Jehoiada and they used it to have vessels of gold and silver made to furnish the temple.

MEMORY VERSE—II Chronicles 29:31.

The Golden Text

Joash repairs the temple. "Bring sacrifices and thank offerings into the house of the Lord." II Chronicles 29:31.

CAROLINA POWER & LIGHT COMPANY

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chevrolet.

And in acceleration runs from a standing start against all comers, the Motorama Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your wheels. Pick the one you'd rather have with, then come in and get behind the wheel. You'll see why the Motorama Chevrolet is showing its heels to every one else on the road!
