Farm Tour Notices Due By Saturday

Persons going on the annual out-of-state farm tour July 18-28 have been asked to notify the county agent's office not later than Saturday.

Last week 300 letters, containing blanks for a reply, were sent out to county residents who have made farm tours in the past, asking the recipients if they intend to make the trip this year.

Persons who did not receive letters but wish to make the trip have been asked to call the county agent's office.

County Agent Virgil L. Holloway explained that these notifications do not obligate anyone and do not constitute actual reservations. They are being sought only to help in the formulating of definite plans for the tour. To do so, he added, the approximate number of persons going must be known.

The tour, termed one of the best ever, will pass through the states of North Carolina, Tennessee, Kentucky, Ohio, Indiana, Illinois, Wisconsin, Minnesota, South Dakota, Wyoming, Nebraska and Missouri.

Last year's trip, scheduled through Georgia and Florida, was cancelled because of lack of reservations.
