No Noise For Ted

QUIET OUTBOARDS are "tops" for angling in the opinion of Ted Williams, whose skill with a fishing rod equals that of his fence-busting bat. The Boston Red Sox star is shown running the newly-introduced "truly quiet" Johnson 10-horsepower outboard he is using in his fishing trips at the end of the baseball season. The manufacturer has silenced both 10 and 25-horsepower outboards in current production models.
