Our community enjoyed a sane and safe 4th, uneventful except for the severe electrical storm on Sunday which did quite a bit of minor damage to electrical appliances.

Vacation Bible school will begin at Crabtree Methodist Church next Wednesday, July 13, at 10 a.m. Mrs. Hugh Noland will be director.

Rev. W. O. Henderson of Turbeville, S. C., and Lake Junaluska, will fill the pulpit at the Morning service at 10 o'clock at the Crabtree Methodist Church Sunday.

The W. M. U. of Crabtree Baptist Church met last Saturday at the home of Mrs. Furman Noland of Fines Creek for an all-day meetings. Mrs. Noland was hostess for the noon meal and nine members of July and watched the parade come down the street, we saw a variety of floats, bands, horses, and decorated bicycles.

The floats were made by the 4-H Clubs in Weld County. First prize went to the Kumer club. Others were interesting and showed a great deal of work. The theme of the parade was poems.

Later in the evening on the Fourth, Haywood and Weld counties had a fellowship picnic supper at Glenmere Park and enjoyed square dancing at Colorado State College of Education on the tennis courts.

This Fourth of July is one that we have enjoyed because Weld County has made us feel at home.

'Country Girl' Hailed As Year's Film Thunderbolt

One of the truly great dramatic experiences of cinema history is accomplished in Paramount's exciting filmization of the smash Broadway play "The Country Girl" which is due to open Sunday at the Strand Theatre. Starring Bing Crosby, William Holden and Grace Kelly, this dynamic package of celluloid entertainment has been receiving the plaudits of critics and audiences everywhere it has been shown.

The plot concerns a man torn by a supposed guilt for a past tragedy who seeks to hide that guilt behind alcohol and a complete dependence on his wife. He is an actor who is given one last chance to get back to the straight and narrow by appearing as the lead in a musical show. His wife and the play's director strive to keep him going and what eventually happens is a heart-wrenching drama that is reportedly the most electrifying package of celluloid ever filmed.

Bing Crosby, in the role of the weakling actor, is seen in a complete departure from anything he has attempted in the past. From all advance reports it once and for all establishes him as one of Hollywood's foremost acting talents. Grace Kelly as the wife is no less overwhelming. A relative newcomer to the acting profession, Miss Kelly is an actress with the mark of greatness about her.

Mr. and Mrs. Woodroe Buchanan and children of Morganton and Jack Justice of High Point were here last Sunday for the family reunion at the home of their parents, Mr. and Mrs. Bill Parks. Twenty-seven members were present.

The vacation Bible school is in progress at the Presbyterian Church under the supervision of the minister, Henry Hope, Jr. Several members enjoyed the picnic in the afternoon of the 4th at the Johnson-Hargrove farm.

The farm crops are looking fine with plenty of sunshine and rain lately. Frank Sorrells, Sr., one of the valley's progressive farmers worked a crew of hands until midnight in the moon light Tuesday night bailing and hauling hay out of the field. He may change the motto: "Make hay while the sun shines".

Those of us who tried to go to Cherokee Sunday realize just what a traffic jam is on an occasion like that.
