

Annual Rodeo In Greeley Highlights Colorado Trip

Editor's Note: The following article by Tom Garrett of the Saunook 4-H Club was written last week from Greeley, Colo., during the visit of the Haywood County 4-H Exchange Club.

By TOM GARRETT

Our Haywood County 4-H Exchange delegation saw the rodeo, "Go West With Greeley," yesterday with our hosts and hostesses from Weld County, Colo. The rodeo is a big annual affair in Greeley.

We were guests of the Greeley Chamber of Commerce with excellent seats in front of the grandstand. It was wonderful to learn that every civic organization in Weld County is leaning over backwards to help the 4-H'ers. They certainly realize the value of such a wonderful youth program to the future progress of their county and state.

Getting back to the rodeo, I think it was a grand source of entertainment. It is not the small kind that sometimes we see back East, but real Western rodeo where everyone turns out and enjoys the show—even though it sometimes gets rough.

A few of the contestants got hurt and those who escaped injury certainly got a terrific shaking up. These boys paid entry fees and were gunning for the big pot winners take all.

All the events were timed to determine the winners and, believe me, it amazes one to see a man rope and tie a calf in 13.5 seconds. Another thing that surprised us was the way each horse was trained to help the cowboy. It seemed as if the horse wanted to make time as fast as the cowboy.

The girls here in Colorado stand as tall in the saddle as the boys. We saw the girls' barrel race where the contestants circle three barrels spaced a short distance apart. One girl made the grade with her pony in 18 seconds. That's some riding.

The bull riding event was the most dangerous and three injuries occurred during the contest. Each contestant must stick on for eight

Thickety Folk To Meet Friday; News Of Section

Residents of the Thickety community are asked to meet at the Recreation Park Friday evening for a general working on the grounds. The community will participate in the visitation program again this year, and the working will be in preparation for a visit from one of the county communities during the coming weeks.

At the regular meeting Thursday evening it was announced that an electric pump had been installed. This was donated from the Oak Grove Church folk, and is greatly appreciated by the people of the entire community. Plans were also made for the purchase of several picnic tables for use at the Park, where various groups meet almost every week for some social activity.

A new attraction in the community is a riding ring, which a number of youngsters, and older riding enthusiasts, are enjoying. A wooded area near Rockwood Church has been cleared for the ring by interested persons and will be used by people of the community and their guests.

Mr. and Mrs. Fred Robinson of Candler were luncheon guests of Mr. and Mrs. John Whitted Wednesday. They also visited Mr. and Mrs. Lee Roberson.

Beverly Rogers and a friend, Veedy Harstman of El Paso, Texas, are visiting her aunt, Mrs. Grady Trantham, and Mr. Trantham this week.

The Good Neighbor Club enjoyed a pot luck supper at the Park Monday evening, with members of their families attending. After supper a brief business meeting was held, with Mrs. Hobert Carter, Jr., presiding. Plans were made for a benefit supper to be held on Friday evening, July 29th.

Mr. and Mrs. Spencer Walker of Brevard visited her parents, Mr. and Mrs. Jesse Ford Saturday.

The Young Adult Class of Oak Grove Church enjoyed a watermelon slicing at the Park Friday evening. A large group attended. A brief business meeting was held at the close of the evening.

Women of the Beaverdam Home Demonstration Club met in the basement of the Rockwood Church Wednesday for an all day workshop

seconds, but from looking at the cowboys on the ground that afternoon, I would think that those eight seconds seemed like an eternity.

Would anyone in North Carolina believe me if I told them I saw steers bulldogged in 4.1 seconds? Bulldogging is a leaping from the back of a horse and throwing a running steer to the ground by his horns. It happened in Colorado! We were all delirious when the cowhands bit the wild horses' ears to tame them long enough to get on a saddle.

Yes, we're seeing some exciting and interesting things and the Haywood county boys and girls are saying: "I wouldn't have missed this trip for anything."

Soup - Sandwich Lunch Is Easy

EASY but a satisfying lunch—soup and sandwich. It is so easy.

By CECILY BROWNSTONE Associated Press Food Editor

SOUP AND SANDWICH LUNCHEONS recommend themselves during the summer. So easy to prepare, just appetizing enough for warm weather. The soup may be hot or chilled.

What soup and sandwich combinations go together? Flavors need to be well-balanced, of course. One team we like is a chilled tomato soup (flavored with dill or basil) with a hot tuna fish sandwich. In the recipe that follows, tuna, hard-cooked eggs and seasonings are added to a cream sauce; this filling is served between toasted frankfurter buns.

Another combination we like is a New England type clam chowder with an egg-and-olive sandwich. We're also partial to hot split-pea soup with ham and lettuce sandwiches.

Oyster stew that comes frozen nowadays is delicious with a toasted tomato and bacon sandwich.

And sometimes try lobster bisque (hot or chilled) with a sliced chicken or turkey sandwich. Cream of asparagus soup (hot or chilled) is delightful with a rarebit sandwich. To make the

rarebit filling, mix grated cheddar cheese with mayonnaise and pimiento-stuffed olives or plain canned pimiento; spread between slices of whole-wheat bread.

Vegetable soup tastes good with a sandwich made from slices of cold meat loaf and chili sauce.

Curried cream of chicken soup is delectable served with sandwiches of thin white bread, water cress and mayonnaise.

TUNA BUNS

Ingredients: 2 tablespoons of butter, 3 1/2 tablespoons flour, 1 teaspoon salt 1-3 teaspoon pepper, 2 cups milk, 1 very small onion, (minced) 1 tablespoon lemon juice, 2 tablespoons minced parsley, 1 can (7 ounces) tuna, 4 hard-cooked eggs, 6 frankfurter buns.

Method: Melt butter in saucepan over low heat. Stir in flour, then salt and pepper. Add milk all at once with onion; cook and stir constantly over moderately low heat until thickened and bubbly. Stir in lemon juice and minced parsley well. Fold in drained flaked tuna and sliced eggs. Reheat.

Meanwhile split buns lengthwise through center of top; toast under broiler. Spoon tuna filling into split buns. Makes 6 servings.

CDP To Meet Saturday Night At White Oak

By MRS. ROWE LEDFORD Community Reporter

The White Oak CDP will hold its regular meeting Saturday night with Mr. and Mrs. Franc Teague and Floyd Teague in charge of the program.

Women of the community are asked to bring cookies and drinks.

A group of White Oak men work on making copper planters.

Mrs. T. G. Murray, accompanied by her sister, Mrs. Lizzie Tate, and a nephew, Sam Tate, of Lake Junaluska, visited their sister, Mrs. Lura J. Hampton in Winston Salem Tuesday.

Mrs. Lawrence Parris and children of Iowa, are visiting her parents, Mr. and Mrs. Albert Shipman and family.

Mr. and Mrs. Lloyd Parham, Jr., had as their guests over the weekend, Mr. and Mrs. Bob Mosley and children of Victoria, Tenn.

Billy Graham's Film Set Tuesday At First Baptist

"Souls In Conflict" the fourth motion picture released by Evangelist Billy Graham, this one filmed against the backdrop of his highly successful London Crusade, will be shown in Waynesville, on July 19 at 8 p. m. in the First Baptist Church. All seats are free.

"Souls In Conflict" is a trilogy, a full-length production in color which documents the life stories of an actress, a jet pilot, and a factory worker, as they are influenced by Graham's spiritual messages—delivered before audiences numbering as many as 120,000 persons in vast Wembley Stadium.

Inasmuch as the now historic London Crusade was Graham's most ambitious endeavor, "Souls In Conflict," is his most important picture. Featured in the cast are Joan Winmill, star of the British TV thriller, "Epitaph for a Spy," Eric Micklewood and Charles Lenox. Miss Winmill was one of those who "came forward" in Harrington Arena, later to receive counsel in the interview room from none other than Mrs. Billy Graham.

Donn Moomaw, six-footer, 222-pound All-American linebacker from UCLA, who turned down a most lucrative offer to play professional football to follow the dictates of his heart in the field of evangelism, is also prominently featured, as in Calleen Townsend Evans, ex-Warner Brothers and 20th Century-Fox player.

Savory Snack: Spread split hamburger buns with smoked cheese and add sprinkle of garlic powder. Broil the buns until the cheese is bubbly while you are cooking hamburger patties with which to top them—one patty for each half cheese-spread bun. Serve with a crisp vegetable relish and lots of hot coffee.

Lunch was served to the group by Mrs. Rowe Ledford, Mrs. Sam Ledford, Mrs. Albert Bramlett, and Mrs. Franc Teague.

Visiting with Mr. and Mrs. A. L. Bramlett have been Mr. and Mrs. Frank Dotson and Miss Ina Dotson from Fishersville, Va. Frank and Ina are brother and sister of Mrs. Bramlett.

Mr. and Mrs. George Carpenter of Fort Worth, Tex., have been visiting Mrs. Carpenter's mother, Mrs. Vessie Messer.

Ronald Fish spent three days in Raleigh attending the state convention of the FFA.

David Teague spent the Fourth of July holidays with his parents, Mr. and Mrs. Lawson Teague. David is a teacher at Statesville.

Barley For Illness

KANKAKEE, Ill. (AP)—Farmers hereabouts are keeping their eyes on the fall-seeded barley field of Henry Classen for it may prove to be a profitable substitute

for oats as a crop. Known in New York state as Hudson barley, it is a new winter variety developed at Ithaca by the Cornell University Agricultural Experiment Station in cooperation with the U. S. Department of

Agriculture. In its home state, yields have averaged 54.6 bushels an acre during the years 1947 to 1953. The test weight is 49.4 pounds to a bushel. It is believed the new variety

is especially adaptable to nois climate because field showed very little kill. Nothing Sells Newspapers
