Varied Program Set Friday Night At Music Camp

Noted composer-conductor Don Gillis, just returned from a tour of the far east with the former NBC symphony, will be guest artist Friday night at 8:15 with the Transylvania Music Camp Concert Band at Brevard under the direction of Allan H. Bone, conductor. Bone, who is conductor of the Duke University Symphony Orchestra and on the music faculty there, will also present the camp director, James Christian Pfohl, as guest conductor for part of the program.

In addition, the Transylvania Chorus will present selections under the direction of Donald Platt, director of music at Davidson College.

Mr. Gillis will narrate his own work, "The Man Who Invented Music" for narrator and band which was composed under com-

South Clyde CDP Meeting Set For 25th This Month

By MRS. KYLE LINDSEY
Community Reporter

The C. D. P. meeting which was planned for last Monday night was postponed due to the revival services at the Louisa Chapel Methodist church.

The C. D. P. will sell sandwiches, hot dogs and drinks at the auction sale Saturday, July 16.

The next meeting will be the 25th of this month.

Revival services are now in progress at the Louisa Chapel Methodist church. Rev. W. O. Henderson of South Carolina is doing the preaching, and is being assisted by the pastor, Rev. W. L. Broome.

Services are being held every evening at 8 p. m. and will con-

mission by U. S. Steel to be played by the NBC Symphony.

Benefit Supper To Be Held At Junaluska

A chicken supper will be served at the Lake Junaluska School cafeteria, Monday night, July 18, from 6 until 8 o'clock.

The event is being sponsored by the Parent-Teacher Association of the school as a benefit. Proceeds will be used to purchase playground equipment.

Plates will be \$1.25 for adults and 50 cents for children under twelve.

tinue until Saturday night.

The Home Demonstration Club met at the home of Mrs. Henry Osborne Tuesday afternoon.

Ray Sfyder of Florida has been visiting relatives in South Clyde.

Miss Carleen Rhinehart and Mr. and Mrs. Arlan Sharp and children spent a week's vacation at the beach last week.

Miss Lucille Cathey of Winston-Salem, is visiting her mother, Mrs. Thad Cathey.

The W. S. C. S. of Louisa Chapel will have their regular meeting for this month at the home of Mrs. Troy Rhinehart on next Wednesday. This will be an all-day meeting.

Ed Smith took a group of boys of the Wesleyan Methodist church on a camping trip to Glenville last weekend. Those making the trip were: Ben Price, Bobby Hill, Jimmy Cogburn, Billy Cogburn, Benny Killian, Bobby Killian, Kenneth Davis, Carroll Lindsey, Charles Aiken, Earl Shelton, Harold Wright, Freddy Mackey, Shirley Killian, Eddie Dane Smith, Ned Rogers.

One of the most touching and tender love stories in all history, the love of the Indian girl, Sacajawea, for explorer William Clark, is poignantly told in "The Far Horizons," Sunday at the Strand Theatre. In Paramount's Vista-Vision, Technicolor, spectacle, Charlton Heston is cast as Clark and Donna Reed as the girl, with Fred MacMurray and Barbara Hale co-starring.

'Far Horizons' Tells Tale Of Lewis, Clark

In the bitter winter of 1804, a strange band of buckskinned travelers toiled up the Missouri River to the Mandan Indian village in North Dakota. There they were joined by an unusually lovely Indian girl, and there began one of the most thrilling and touching sagas in American history.

The men were the hardy and heroic members of the U. S. Army expedition led by Captains Meriwether Lewis and William Clark,

and the girl was Sacajawea, destined to become the expedition's guide, Captain Clark's great love, and one of America's six most famous women.

And now Paramount Pictures has brought this extraordinary story to the screen in a Vista Vision spectacle.

Entitled "The Far Horizons," the Technicolor drama, opening Sunday at the Strand Theatre, stars Fred MacMurray as Captain Lewis, Charlton Heston as Captain Clark, Donna Reed as Sacajawea, and Barbara Hale as the women both met and loved and with whom the Indian, Sacajawea, vied for the heart of Captain Clark.

Colorado Welcome Warm For Haywood 4-H Group

(EDITOR'S NOTE: The following article by Estalena Robinson of the Haywood County 4-H Exchange Club was written by Miss Robinson last week during her stay in Weld County, Colo.)

By ESTALENA ROBINSON
We arrived at Greeley Saturday afternoon at 4:30 p.m. The temperature was a warm 94 degrees. We were greeted by the 4-H Council, demonstration agents and various officials.

Mayor Oscar Beck and Dr. Ross from the Colorado State College gave us a very hearty welcome. Then we were introduced to our hosts. After this, refreshments were served and we were taken into our hosts' homes. The great Western hospitality began then and everybody has been wonderful to us since.

On Sunday, July 3, most of us attended church with our respective families. After lunch we were guests of the Chamber of Commerce at the "Go West With Greeley" rodeo, which really lived up to its name. Everyone enjoyed this very much.

Sunday evening we attended vesper services, which were very inspiring. On the Fourth of July we attended the big parade and in the evening a get-together picnic and dance.

On July 5 we stayed in our homes, inspecting and learning the Colorado ways of farming. The method of irrigating all the crops is most impressive. On July 6, we left Greeley and had a tour over most of Weld County. We visited the Manhart feed lots, one of the largest in the United States. They were feeding over 14,000 head of cattle at the time.

Then we went to Rockport, where we saw a herd of buffalo and touched into the bordering state of Wyoming. We then continued to the Black Hollow oil field. From there we went to the Melvin Carlson farm and saw his registered Guernsey herd, which he started from one cow.

We continued to the Milliken dehydrator, where we saw green

chopped alfalfa processed into pellets. Then on to a canning company, where we were shown how peas are taken from the vines.

Next we stopped off at Gilcrest to see the potato country. Here we were greeted by Earl Cogburn, who came to Colorado from Haywood County in 1920. We then went to the S. L. W. Ranch where they have registered Herefords.

Last we stopped at the Great Western Sugar Co. Although the plant was not operating at the time, we were briefed on its operations and given a sample one-pound sack of sugar.

Tomorrow we leave Greeley at 7:30 a.m. for a tour to the mountains, including a trip through the Rocky Mountain National Park, with peaks between 12,000 and 13,000 feet high.

On our way back home, we will be guests at the Colorado Agriculture and Arts College at Fort Collins. Here we will have supper with the compliments of the Weld County Leaders Council.

Friday will be our last day here and we will be guests at a farewell supper at Our Savior's Lutheran Church parish hall. Saturday morning we depart for home.

Highest Gas Prices

MISSOULA, Mont. (AP)—The man in charge of the Montana Legislature—ordered investigation of gasoline prices said his preliminary studies show that gasoline prices in Montana are the nation's highest, exclusive of taxes. He said Missoula's gas prices, exclusive of

taxes, are the highest of any city in the United States.

John Vance, counsel for the Montana Trade Commission, said: "Maybe there is a satisfactory explanation. That's what we are trying to find out." The Legislature appropriated \$20,000 for the investigation.

All-Purpose wheel drive 'Jeep' Truck

Extra stamina...on the highway or off...

Selectivity. The 'Jeep' Truck shifts easily from 2-wheel drive for normal highway travel into 4-wheel drive when the going gets tough.

Traction. With its 4-wheel drive, the 'Jeep' Truck climbs 60% grades, goes through mud, sand, snow, or soft earth, where ordinary vehicles can't go.

Better, faster...for many jobs!

Hauling. The 'Jeep' Truck carries payloads up to 2800 pounds and pulls heavily loaded trailers, on the road or off.

Powering. With power take-off, the 'Jeep' Truck supplies power for many types of industrial or farm equipment.

WILLYS... world's largest makers of 4-wheel drive vehicles
