

Waynesville Mountaineers To Open Football Practice On August 15

Open Meet Aug. 13

Western North Carolina meet will be held August 13, at the new pool at The Manor on the City of Asheville. The Asheville Jaycees winners will receive and second-place winners medals. Trophies also awarded to the top individual male swimmer and female swimmer and team in both divisions. There will be three relay events. Entry forms available at The office later in the week.

75 Expected To Report For Initial Workout

You'd never guess it amid this sultry weather, but King Football is just around the corner! In just a week and a half now—on Monday, August 15—some 75 pigskin hopefuls will report to Coach C. E. Weatherby—striving to gain a spot on the 1955 Waynesville Mountaineer gridiron squad. Some are due to be disappointed, however, because only about 35 will be retained for varsity service. Others will go to the Jaycees for seasoning. Still others will fall by the wayside. Starting on the 15th, the Mountaineers will have only 12 practice sessions before seeing action Friday, September 9, against the Sylva Hurricanes in the Jackson County metropolis. (State rules prohibit starting fall football practice before August 15 or more than two weeks before the opening of school.) The first day of practice will be devoted to physical examinations and limbering up exercises. After that the highlanders will get down to business in a hurry. As to his prospects for this season, Coach Weatherby declines to make any predictions until he has seen his charges in action. Rumors are, however, that the '55 Mountaineers will be able to make things fairly interesting for any of their opponents this year. Last year, Waynesville lost only one game—to Blue Ridge Conference champion Hendersonville on "Black Friday" (October 8) on the Henderson County sod, The Gold and Black, however, did lick Canton, Bethel, Sylva, Murphy, Marshall, Mars Hill, and tied strong Brevard and Greenville, Tenn.

1,000 SPECTATORS were on hand for the 17th annual Cataloochee Ranch Beef Shoot on mile-high Fire Top Mountain Wednesday. Many persons in the audience used binoculars to observe the strike of the muzzle loaders' bullets on the targets. (Mountaineer Photo).

Sunday's Race At A-W To Be One Of Fastest

The modified stock car race at Asheville-Weaver this Sunday will be one of the fastest races yet run at the steep-banked oval, it has been announced by Gene Sluder, owner. He said the track has been worked all week and is in near-perfect shape for Sunday's race. Cotton Owens will lead the pack of drivers, with Joe Le Johnson of Chattanooga, expected to be the main competition. Owens has his Chrysler engine in a new Plymouth body and it is reported that it is faster than ever.

Banjo Mathews, Asheville's hefty stock car pilot, will lead a strong contingent of Ford drivers into the 65-lap modified division stock car racing program.

Mathews finished third in last season's national point race and holds a spot in the top 10 in NASCAR's standings this year. But he has failed to place better than second at Asheville-Weaver

ville Speedway. The heavier cars with the bigger engines have made a clean sweep of A-W honors this season. Cotton Owens won twice in a Chrysler powered Plymouth and Joe Lee Johnson notched two wins in a Cadillac-powered Chevrolet. Fireball Roberts took one win in a Cadillac-Chevrolet and Doug Cox won the other race in a Chrysler Plymouth.

Banjo and the other members of the Ford fraternity hope to spur their souped-up mounts into the limelight Sunday.

Other Ford drivers include the Simpson brothers, Banks and Mutt, of Concord, Dink Widenhouse of Concord, Speedy Thompson of Monroe, Ralph Earnhart of Kannapolis, Ned Jarret of Newton, Jack Sprinkle of Weaver and Termitte Moose of Concord.

The time-trials for the race will begin at 2:00 o'clock and the race will get underway at 3:00.
