A New Rupp Speaks

LEXINGTON, Ky. (AP) — Basketball coach Adolph Rupp, long known for his excitable antics during games, was asked the other day about those two stunning losses Kentucky suffered last winter by Georgia Tech.

Rupp merely grimaced and shrugged.

"We beat Georgia Tech 33 times in a row before they beat us. Those things happen. I've never last a moment's sleep over either one of the defeats. You can't let things like that worry you. Years ago they might have bothered me terribly. But not any more."

Unexplained Leg

WICHITA FALLS, Tex. (AP) — The police found a woman's artificial leg, complete with nylon stocking, hanging from a street sign. Nobody's claimed it.

SHOT INTO WIND

By ED FURGOL
1954 U. S. Open Champion

When hitting into the wind the idea is to keep the ball low to get maximum distance. Play the ball slightly toward the right foot. Close the clubhead slightly. Hit down on the ball and concentrate on keeping the clubhead swinging through the ball. Don't rush your backswing.

venture near Lake Junaluska for a 10-day football camp—the third year the Rebels have been here. Although Monroe lost nine of its eleven starters by graduation, Coach Jaynes is heartened by the performance of Howell, whom, he predicts, will be the best high school tackle in the state this season. 275-Pound Lineman Puts Broad Smile On Face Of Monroe Coach Harry Jaynes

By BOB CONWAY

"Eager but inexperienced" is the way that Coach Harry Jaynes, Waynesville native, described his 1555 Monroe Rebel football team as the squad prepared to return home Friday after a 10-day stay at Camp Adventure near Lake Junaluska.

And it appears that his complaint is justified since the Rebels lost nine of their eleven starters from a 1954 squad that won eight and lost only two. Monroe ended its season in second place in the South Piedmont Conference and was fifth in the entire state.

When interviewed at Camp Adventure, however, Coach Jaynes was not bemoaning the major rebuilding job he faces this year at Monroe. On the contrary he seems confident.

He feels that way mainly because of the presence in his lineup of a gridiron giant — Larry "Horse" Howell, who stands 6-5 and weighs 275 in his stocking feet. ("Horse" tipped the scales at 280 before the football camp here, but has lost five pounds in daily grills.)

Coach Jaynes asserts that Howell is as good as he is big, and should be the outstanding high school tackle in North Carolina this year. As is often the case, colleges from near and afar are after this pulverizing pigskinner.

Howell, however, doesn't supply all the heft on the Rebels' forward wall. The entire line averages 187 pounds and the backs aren't far behind at 172 pounds.

Although Monroe, with a population of over 10,000, is larger than Waynesville, the high school in that city has an enrollment of only 195 students. This is due to the nearness of a county school and to

During the horse show, which starts at the Park St grounds at 1:30 p.m., lunches will be served.

Monroe's large colored population of 4,000, Coach Jaynes explained.

Fifty-five boys came out for football at MHS, but the Rebel varsity squad has been cut to 30. The backs run from the split-T formation.

Coach Jaynes is the younger brother of Bruce Jaynes, line coach at Waynesville High, and the son of Mr. and Mrs. Hugh Jaynes of the Dellwood Road.
