MORE ABOUT

Barber

"There is ample room for storing all the garbage, street repair, and maintenance trucks; also plenty of room for the electrical equipment used by this department of the City. All of these can be housed in the basement, which as you know, can be easily reached by drives from three streets.

"There are spacious and well lighted rooms on the upper floors of the building which are ideal for housing the Police Department, the Mayor's Office, the City Manager's Office, the Bookkeeping Department, and a meeting room for Aldermen or other City Officials. One or more of these class rooms could be used from time to time for Conference Rooms by Civic groups or Religious Groups, whom are in need of meeting rooms.

"The Auditorium of the building can be used for holding City Court and could be used by Convention Groups. There is a crying need for such an auditorium, as groups of this type do not like to use school houses or court

"The present Town Hall is not adequate, is overcrowded and congested, and best served its purpose as a livery stable run by Pink Turbyfill fifty years ago.

The school property is the only remaining centrally located property fronting on four streets with plenty of parking room and plenty of room for expansion. The present Town Hall has greater value as business property. "The proceeds of the school

property can be used for building a warehouse, which is the purpose to which the property is now being used. "I have written this letter strict-Ivy Hill, Burgin's store; Jonathan, ly on my own volition, not being

It got its lightning from the Thunderbird!

The '56 Ford borrowed the Thunderbird's beauty

and its Y-8 "GO" to boot!

The long, low lines and beautiful new styling of the '56 Ford makes it a dead ringer for the fabulous Thunderbird. And in power, too, Ford is mighty like the Thunderbird.

Ford's new Thunderbird Y-8 engine, successor to the V-8, is 202-h.p.* strong. Basically, it is the same as the engine that won nationwide fame for alert performance in the Ford Thunderbird.

Another exciting advance in For '56 is Lifeguard Design. It means protection against the major cars injuries in accidents. You're proby a new deep-center steering new double-grip door atches, no tional seat befts and safety po
