During the grand opening all motorists who have their car's gas tanks filled will receive a free sixbottle carton of Coca-Cola.

Free balloons, lollypops, and banks also will be given to the May.

The new service station, of the latest design, is constructed of concrete block and Crab Orchard stone, has mercury vapor lighting. wide driveway, and 150-foot frontage. Its owner, Mr. Burnette, has operated service stations for several years and formerly was in wood.

Distributor of Phillips 66 products in this area and lessor of the new station is the Allison & Duncan Oil Co of Hazelwood, which now serves 60 retail outlets

Phillips 66 stations feature 'Flite Fuel" gasoline, containing ingredients used formerly only in high-octane aviation gasoline, and weather lubricant.

A new housing development near Lake Junaluska has been opened up by Marshall Kirkpatrick and Rex Messer at the intersection of old Highway 19-23 and the Crabtree road, just south of Long's Chapel Methodist Church.

Known as the "Mar Rex" housing project, the development has 21 lots, on which four brick homes will be built. Two of the homes will face toward the Crabtree road, the other two toward the old Clyde road All will contain from four to six rooms, and will have different plans.

Work is now under way on the first house and is expected to be completed within six weeks, weather permitting. All four dwellings are expected to be finished by next

The new development has all city utilities, including a sewer line laid recently.

When completed, the homes in the Mar Rex housing project will

be advertised for sale.
