Who Is My Neighbor?
JESUS ANSWERS THE LAWYER'S QUESTION IN A PARABLE

Scripture—Luke 10:25-37.
MAN CAMPBELL
The every reformer was criticized by the majority in the religion of that time. He had the priests, Pharisees, other church bigwigs were hypocritical in once upon observing the man of religion, while necessity for virtues apply for the poor and Him for it, and tried to catch Him in that they could claim that they were criminal.

"SO WITH PRAYER..."

The sure and nimble touch of the hands of a great pianist is the result of hours of daily practice over a period of years. The great and thrilling music which he creates is the product of daily devotion to his art.

Every fine accomplishment in life requires the same daily devotion. If your house is neat as a pin, if you have a lovely garden, if your office is well-run and efficient, you know that it takes hours of daily care and devotion.

So with prayer. Prayer is one of the highest gifts a man has. But if it is to become more than a spasmodic and superstitious cry for help, it too requires daily care and devotion. It takes practice!

The Church stands ready to help you and your children know the great joy which comes to a man through daily prayer. And the best part of it is, the more you practice prayer, the greater the joy and happiness you will derive from it.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
