ANNOUNCEMENT

Mr. and Mrs. Bruce Caldwell of Edgewood, Maryland announce the birth of a son, Brian Eric, on Friday, January 6. Mrs. Caldwell is the former Miss Janice Corzine, daughter of Mr. and Mrs. Robert Corzine of Clyde.

Hargrove, community missions chairman; and Mrs. James Metcalf, mission study chairman.

The new Girl Scout Camp site will be open for patrol camping in 1956. This is the announcement made last week by the Pisgah Girl Scout Council which serves girls in seven Western North Carolina counties, including Haywood.

The 131-acre camp site is located in Transylvania County, 8 miles south of Brevard. Development of the property was started last year with funds from the Girl Scout Cookie Sale which paid for drilling a well, building a pump house, and construction of a road. Additions will be made to the camp each year as funds are available through the sale of more cookies.

According to the Camp Committee, the Council will hold two Patrol Encampments at the established camp site for five day periods in July. A session for white girls will be held July 17 through July 21 and the second encampment will be for negro girls, July 24 through July 28.

Each neighborhood in the council may send one qualified patrol of eight girls (at least 10 years old.) Also, each neighborhood will furnish at least one leader, tents, cooking gear and equipment furnish and cook their own food.

The Council will furnish a director, waterfront director, and a nurse or a qualified First Aid person.

Girls participating in the camp must meet certain requirements set by the Council. They must be at least 10 years of age, in excellent health, and shall have participated in a patrol camping experience and be skilled in the use and practice of the patrol system. Final selection of the campers will be made by the Neighborhood Selections Committee on a basis of skill in primitive camping and basic camping skills; knowledge, to be taught or shared, of songs, dances, crafts, dramatics, ceremonies, and story telling; and endorsement of leaders and troop members.

Plans for this "First Roundup," as the 1956 camp is term, were announced along with a summary of Girl Scouting in the area during 1955. This summary is contained on attractive blotters which are being distributed to supporters of the Girl Scout program.

The report shows an increase of registered girls from 1,400 in 1954 to 1,772 in 1955 and an increase in adult volunteers from 435 in 1954 to 556 in 1955. Total receipts rose from \$17,914.96 to \$20,236.26 during the same period.

The Pisgah Council is supported by Buncombe County, Waynesville, Canton - Bethel - Clyde, Yancey County and Transylvania County United Funds, and Girl Scout Drives in Avery, Madison and Mitchell Counties.

I see where an eastern psychologist has found out that TV commercials spoken slowly, about 145 words per minute are better than the faster 185 word commercial. "Relaxed attention makes remembering easier," he reports.

At our house we would prefer the slower one, too. It gives you more chance to make that sandwich, pour another cup of coffee or start putting pajamas on the kids who are up too late anyway.

Actually, what they ought to do is work the commercial into the entertainment script. Like we do with these weekly articles from NELSON'S TV SERVICE. Phone GL 6-6881 the next time for television service. We'd like to show you some of the latest electronic instruments for fast, efficient servicing.

MR. AND MRS. JOHN JOSEPH KING of Canton announce the engagement of their daughter, Erma Joan, to Wilford Lee Johnson, son of Mr. and Mrs. Clyde Bovy Johnson of Ridgecrest. The wedding is planned for January 21 in the First Baptist Church at Canton. (Paul's Studio).
