HAYWOOD OFFICIALS PRAISE HOSPITAL CARE FOR KEEPING SAME RATE THREE YEARS

HAYWOOD COUNTY HOSPITAL WAYNESVILLE, N. C.

December 21, 1955

Mr. E. M. Herndon Executive Vice President The Hospital Care Association, Inc. Durham, North Carolina

Dear Mr. Herndon:

In thinking over the past two years which Hospital Care has underwritten the insurance program for the Haywood County Community Development Program, I would like for you to know that we think it has been a job well done. We, here in the hospital, know just how much help it has been to the members of this group. The fact that the rate has remained the same since Hospital Care took over the group and that no increase is anticipated for the coming year is in itself commendable.

We hope that with the enrollment period opening the first of January the people who are eligible for this group will take advantage of the opportunities offered and enroll during this period.

We appreciate the prompt way which Hospital Care handles the claims sent from our hospital and your ever willingness to cooperate and help in every way possible.

Sincerely yours, Lee Davis, Administrator Haywood County Hospital.
