Dave Melton, Kansas City prospect, hit the first pitch for a home run when he played for San Francisco in 1950. He is a Stanford University graduate.

State grades for beef are widely used in North Carolina and they indicate the same quality designated by USDA grades.

WOOD LIFE

Exposed wood members need and deserve a good preservative treatment.

Your window sills, frames, sash and screens constantly absorb moisture inviting early discoloration and ultimate decay.

This can be prevented by dipping exposed pieces in Wood Life prior to assembly. The cost is nominal—the savings tremendous.

Check with our shop for a demonstration.
