Medical Meeting**

(Continued from Page 1)

on the mothers will enable the physicians to treat any abnormality such as elevation of the blood pressure or kidney ailments and restore her to health and assure a normal delivery date. After a premature infant has arrived, very delicate care and handling are necessary to help its survival. The babies frequently require extra warmth such as an incubator, special formulas and feedings, and vitamins. Oxygen sometimes is used to aid the child whose lungs are yet undeveloped and incompletely expanded.

Attending the meeting also were Dr. Vernon Taylor of Elkin, North Carolina, president of the North Carolina Medical Society.

Six of the leading doctors in the South will speak during business sessions at the assembly, including Dr. Julian Price, pediatrician from Florence, S. C.; Dr. Kinloch Nelson, professor of clinical medicine, Medical College of Virginia, Richmond; Dr. Phillip H. Jones, professor of clinical medicine at Tulane University, New Orleans; Dr. William G. Hamm of Atlanta, past president of the American Society of Plastic and Reconstructive Surgery; Dr. Robert G. Greenblatt, professor of endocrinology, Medical College of Georgia, Augusta, and Dr. Park Nicely, urologist at the Acuff Clinic, Knoxville.

A three-day program of entertainment has also been planned for the wives and children of the physicians.

Thursday events include a visit to the pool and playground at Lake Junaluska, Dutch luncheon at the Country Club, fashion show at the Town and Country Shop, square dancing at the Maggie

Patrol**

(Continued from Page 1)

1930 Chevrolet three-quarter-ton truck driven by Lawrence E. Alston of Mt. Creek, Ala., collided on the Soco Gap road in front of the Marvin Sutton service station at 4:30 p.m. Tuesday.

Troutwine told Patrolman Dayton that he was preparing to make a left turn into the service station and did not see the other car.

Damage to his car was estimated at \$200 and to the truck at \$250. Troutwine, who was on a honeymoon with his bride, was charged with driving to the left of the center line.

Last Sunday, according to a report by investigating officers Ray Whitner and Carl Setzer of the Waynesville police, Perry Lee Gibson, 21 Ray St., Waynesville, was driving out the Dellwood road at the intersection of Depot St. when his door came open. In trying to close it, he lost control of his car and the vehicle jumped the curb and struck the side of the house occupied by Mrs. Mary Hall.

Damage to the car and to the house was estimated at \$200 each.

The United States produce more than 500 million pounds of frozen foods in 1935.

Playhouse

On Friday the women will enjoy bridge and golf at the Country Club, have a Dutch luncheon, and then tour the Champion Paper and Fibre Co. plant at Canton. That night at 7:30, an informal buffet banquet will be held at the Country Club.

On Saturday, the group will take a trip to Cherokee, Mile High and Heintoga. In the afternoon a golf tournament will be held, starting at 1 p.m.

BARBARA OWENBY has been awarded the Beta Sigma Phi scholarship awarded annually to a senior in the Waynesville Township High School. The daughter of Mr. and Mrs. T. L. Owenby of Lake Junaluska, she was salutatorian of her class and was active in a number of school organizations. She plans to enter Berea College this fall.

over the beetles by the application of chlorodane to severely infested pasture three weeks ago.

Mrs. Davis said she was well pleased with the results she has gained with chlorodane and she is considering treatment for the rest of her pasture land.

County Agent Virgil L. Holloway accompanied the two agriculture officials on their inspection tour yesterday.

Chairman Carver stated that all Democratic judges, registrars and alternate judges are to report to their precincts at 6 a.m. Saturday. The Republican judges do not serve in the primary since there are no Republican contests.

MORE ABOUT

Soil Bank

(Continued from Page 1)

but was killed, a farmer can sign a statement affirming that the crop was destroyed by natural causes. Such destruction, however, must take place prior to July 20.

4. If the crop has already been planted, a farmer can plow up part of his tobacco.

Mr. Holloway predicted that most payments to Haywood farmers this year will be made under one of the first two provisions enumerated.

Soil bank payments this year on burley tobacco will be 18 cents a pound for a maximum of \$340 an acre—based on the farm's past average.

The maximum a farmer can put into the soil bank is 50 per cent of his tobacco allotment or five acres—whichever is larger. The minimum he can put into the soil bank is 10 per cent of his allotment of 5 of an acre—whichever is larger.

At the ASC office, Mr. Ferguson estimated that about 200 Haywood farmers will be eligible to receive soil bank payments on their tobacco this year.

He said that farmers can start applying for payments on July 2 and must make application not later than July 20.

Owners of farms must sign all applications and the deadline for obtaining such signature is July 31 in those cases where the operator of a farm is not the owner. Operators, however, must apply by July 20.

Mr. Ferguson said he has not been informed by state or national headquarters as to when payments will actually be made.

The U.S. aircraft carrier Saratoga is the sixth U.S. naval vessel so named.
