\$3.50 In Advance In Haywood and Jackson Counties

Sen. Scott Favors Heintooga-Cataloochee Road

Political Tempo In County Increasing

Parties In Bid For Big Nov. Vote

Both political parties in Haywood threw their machines into high gear this week, in preparation for the all-out race for the November 6 election.

Both parties opened campaign headquarters in Canton. The Democrats are in the old City Market building, with Mrs. Sydney Trueblood in charge. The Republican headquarters were opened in the Schulman Building on Main Street.

At noon today, Democrats were completing plans for establishing headquarters on Main Street here. Two places were being considered, according to Jule Noland, who was named by Loranzo Smathers, Haywood Democratic chairman, to make arrangements.

Mrs. Dorothy Fields will be in charge of headquarters here.

Gudger Duckett, chairman of the Haywood Republican committee, said the GOP headquarters would be kept open by a number of volunteer workers.

Last night Richard C. Clarke, Jr., Republican candidate for Congress, met with leaders at the headquarters and assisted in getting a Young Republican Club organized. Seymour Singleton was named temporary chairman, and Shirley Welch, as temporary secretary.

Plans were completed for the permanent organization meeting on Tuesday, October 9, 7:30 at the GOP headquarters.

Candidate Clarke spent a great part of Wednesday in Canton, and his schedule called for further campaigning there today and in Macon county tonight.

Chairman Smathers said tentative plans are to have Senator W. Kerr Scott come to Haywood early in November for a Democratic rally. Smathers said the plans are

Mrs. Rogers Enjoys 106th Birthday

Mrs. R. N. Rogers

observed her 106th birthday Sunday at a reunion held at the home of a daughter and son-in-law, Mr. and Mrs. R. A. Justice of Fines Creek.

Among the large crowd at the

reunion were six of Mrs. Rogers' nine living children: Hayden Rogers of Fines Creek, Julius of Waynesville, Chapel of Geraldine, Mont.; Mrs. Birdie Kirkpatrick and Mrs. Lawrence Russell of Waynesville, and Mrs. Justice.

Unable to be present were two sons, Erastus and Walter Rogers and a daughter, Mrs. Nathan

District Baptists Discuss Area Program At Meet Here

2 Cars Collide On Four Lane Near Dairy Bar

One minor accident was reported today by the Highway Patrol, involving the collision of two cars near the Biltmore Dairy Bar on Highway 19-23 near Lake Junaluska.

Patrolman V. E. Bryson said Mrs. Sue Boone Green of Canton, 23, drove her 1953 Ford from a side road into the four-lane highway in the path of a 1952 Chevrolet driven by Bobby Lee Wilson, 24, of Thomasville.

Neither driver was hurt. Damage to both cars was estimated at \$70 each.

Mrs. Green was charged with failure to yield the right of way.

Dr. J. C. Canipe, president of the Baptist State Convention of North Carolina, struck the keynote of unity and cooperation as he spoke on the subject, "Every Man in His Place." He called for the fullest cooperation on the part of every pastor, layman, and church, regardless of size or location.

Dr. W. Perry Crouch, pastor of First Baptist Church, Asheville,

6-Cent Wage Increase Granted Dayton Employees

Dayton Rubber Co. and Local 277, United Rubber Workers union, jointly announced Wednesday that their current bargaining negotiations have been satisfactorily completed.

Agreement was reached on a two-year contract with the company granting a wage increase of 6 cents per hour to all employees.

In addition, one other paid holiday and vacation improvements were granted.

Agreement also was reached whereby the company will establish a plan for supplementation of state unemployment benefits, beginning April, 1958.

Horse Show Has Profit Of \$1,200

The Recreation Commission realized about \$1,200 profit on the recently staged Horse Show, according to the financial statement of Richard Bradley, president of the commission.

The money goes into the general fund of the Commission.

Operating Dates For Canneries Announced

Schedules for operations of canneries in the Waynesville area have been announced.

The Fines Creek cannery will be open on Tuesday, October 9, and again on Tuesday, October 16, after which it will be closed.

The Bethel cannery will be open three more days, Tuesday and Thursday, October 9 and 11, and Tuesday, October 16.

The Waynesville cannery will be open for the last times Tuesday and Friday, October 9 and 12. Meat will be canned on Friday and those with meat to be canned are asked to notify the cannery before that date.

Crabtree cannery will be open on Wednesday, October 10.

340 Haywood Calves Sold In Asheville

Of a total of 480 steers and heifers sold at the annual feeder calf sale at the WNC Livestock Yards at Asheville Wednesday, 340 were from Haywood County, according to County Agent Virgil L. Holloway, 24, of Thomasville.

Neither driver was hurt. Damage to both cars was estimated at \$70 each.

Mrs. Green was charged with failure to yield the right of way.

Average prices paid at the sale were:

Choice steers, \$20.15; good steers, \$19.50; medium steers,

\$17.44; choice heifers, \$15.76; good heifers, \$15.94, and medium heifers, \$14.25.

Among purchasers of the feeder calves were these seven Haywood counties: Glenn Boyd, Glenn Palmer, Neil Stamey, Frank Medford, Sam Ferguson, Moody Hyatt, and Jesse Green.

Crabtree cannery will be open on Wednesday, October 10.

Motorists who want to see a wide and vivid variety of beautiful fall foliage colors, should avail themselves of the opportunity this week of visiting the Mile High Overlook and Heintooga areas.

The colors in that region are the best they have been in about five years, according to one of The Mountaineer staff visiting there Wednesday.

The colors in and around Mile High and Black Camp Gap are especially beautiful, and continue all the way out to Heintooga. Every vantage point along the road offers a new view of varying colors.

It is understood the Beech Gap area is also a perfect picture.

Color Along Mile High-Heintooga Is Outstanding

Visits Area, Finds Road Is Essential

The proposed 7-mile Park Service highway linking the Heintooga and Cataloochee areas got senatorial support Wednesday, as Senator W. Kerr Scott put his formal OK on the project, as he visited the area.

"I am convinced that we need the connecting road," Senator Scott said, as he stood in Paul's Gap on the Heintooga Ridge and looked across the colorful scenic territory of the Great Smokies.

The Haw Creek senator was "carried away" with the color of the foliage in the area, and regretted that his schedule would not permit him to spend the rest of the week "just looking at the colors on the many thousands of acres of foliage in the section."

The plan for the proposed 7-mile highway was made late in August by Congressman George A. Shuford, Asheville, as he publicly announced his plans, after a visit to the Heintooga and Cataloochee areas. At his request, Congressman Shuford was accompanied by Edward A. Hummell, superintendent of the Great Smoky Mountains National Park.

Senator Scott said he felt the project should be formally proposed by Congressman Shuford, and added: "You can rest assured that I will work with him on the matter, and I am sure Senator Sam Ervin will join us on such an important phase of our highway system in this mountain region."

"This is just beautiful and could easily be enjoyed by thousands, and tens of thousands of people, if we

(See Senator Scott—Page 6)

SENATOR W. KERR SCOTT checked a map as he stood at Heintooga Wednesday morning, and discussed the proposed 7-mile Heintooga-Cataloochee Park road. On the right is John M. Queen, one of those from here accompanying the Senator and members of his staff to the site of the connecting road. (Mountaineer Photo).

Miss Cornwell To Receive National Recognition

U. S. Savings Bond Sales In Haywood Total \$26,587.50

Sales of U. S. Savings Bonds in Haywood County during the month of August totalled \$26,587.50, bringing Haywood's total for the year to \$269,336.25, according to an announcement by J. E. Massie, Franklin County, and County Savings Bond sales chairman.

In the state the August sale of \$4,053,124.70 in Series "E" and "H" Bonds brought the eight-month total for this year in North Carolina to \$36,076,378.45.

The Series "E" Bonds sales for the month were approximately one per cent above August, 1955, while for the year to date, the sales of Series "E" Bonds were over two per cent higher than for the corresponding period of last year.

The sales of Series "E" and "H" Bonds through August were less than four per cent under the same period for 1955, but otherwise these figures represent the best sales record for these bonds for any other year since 1945.

Sixty-eight agents from 38 states, (See Miss Cornwell—Page 6)

HEALTH DEPARTMENT

TO CLOSE FRIDAY

The Haywood County Health Center will be closed Friday to allow staff members to attend a Public Health Meeting in Hickory.

Club Considering Miniature Train For Recreation Center

The Waynesville Kiwanis Club, now considering operation of a miniature train at the new Recreation Center grounds, heard a report on the train Tuesday night from Ben Sloan, local contractor.

Mr. Sloan told the Kiwanis that a train with locomotive and three cars and 700 feet of track and other equipment would cost a total of \$6,800.

He explained that the locomotive would have an 18-horsepower, four-cylinder engine, equipped with air brakes. He added that the cars would have electric brakes and would run on rails 18 inches apart.

The Kiwanis also were told that if the club decides to undertake the project, the Recreation Commission will provide the ground for the track.

The miniature train project would be similar to that now in operation by the Asheville Kiwanis Club at Recreation Park.

Some of the workers were late getting started the first of the week because of rain, but all have their cards and hope to make a whirlwind finish of the assignments.

The Canton area campaign gets under way tonight with a dinner, with solicitations starting Saturday. About 80 volunteer workers will take part in the campaign to raise a goal of \$29,000.

Mr. and Mrs. Dan Watkins are expected to return tonight from Atlanta, where they have been attending a Chevrolet showing.

(This information compiled from records of State Highway Patrol.)

Highway Record For 1956 In Haywood (TO DATE) Killed 4 (1955 — 1) Injured 78 (1955 — 73) Accidents 153 (1955 — 139) Loss \$49,720 (1955 — \$57,726)

CHECKING this morning on the United Fund Campaign were Mrs. Felix Shouse, left, and Mrs. Raymond Caldwell, at headquarters in the L. N. Davis Company office on Main Street. Both of these ladies are working in the office for the duration of the campaign. (Mountaineer Photo).
