The Black Bears took their fifth victory Friday night over Asheville School, 46-6. The first and second teams played a very good game and Charles Duke kicked the extra points for all but two of the touchdowns. CHS is looking forward to another victory this Friday night when they meet Blue Ridge here.

The band performed well during the half-time by presenting a show featuring scenes from the "Old West". The band, under the direction of Wayne Pressley, is giving excellent performances at the football games.

The Industrial Arts class has had two practice teachers from Western Carolina College, who are expected to remain until De-

ember 15th. They are: Mr. Rogers from Swannanoa and Mr. Lopez from Black Mountain, seniors at Cullowhee, have been doing a grand job under Mr. Bridgeman's supervision.

The Rev. Clayton J. Lime spoke to us in assembly on Friday morning. He brought his dog which gave a show of its own. Rev. Lime presented an interesting talk and read some poetry which was entertaining. His talk, on a contrast of man to animals, was an inspiring message.

WCC To Have Outstanding Lyceum Series This Fall

The fall quarter lyceum series for Western Carolina College has been announced by Mrs. Lillian B.

Editor's Roundtable at WCC this Friday. It is sponsored by the Asheville Citizen Times and WCC.

The Beta Club journeyed to Mars Hill for the convention on Thursday. Next week I'll bring the results of that trip.

Be looking forward to more news from CHS next Thursday.

Buchanan, chairman of the lyceum committee.

"I Solisti di Zagreb," Yugoslav chamber orchestra, will appear in Hoey Auditorium at 8:15 p.m. Tuesday, October 16, as the first feature of the season. This group is composed of fourteen string artists under the direction of Antonio Janigro, and contains two complete string quartets, both recognized as foremost in Yugoslavia. Having been widely acclaimed in Europe, they are now beginning their first American tour.

Saturday, October 20, the United

States Navy Band will present two performances at WCC, one at three p.m. and the other at 8:15 in the evening. High school bands throughout Western North Carolina have been invited to perform at the afternoon concert and remain as guests of the college for the evening concert. Commander Charles Brendler, conductor of the Navy band, will select a number of high school musicians from the afternoon concert to perform with the Navy Band in the evening.

The Robert Jeffrey Theatre Dancers will appear in Hoey Audi-

torium Thursday evening, November 1, in the third feature of the series. Jeffrey is America's newest dance celebrity, and as a choreographer-producer has assembled a cast of youthful performers of recognized talent. He has staged his colorful ballets in Europe, in many sections of this country, and in television shows.

Mrs. Buchanan explained that college students are admitted free of charge; however, a nominal charge must be made for others, and the public is invited to attend these performances.
