Enfield Takes Another Scalp—Halifax the Victim.

The game played here between Halifax and the home team Friday, July 9th, proved to be one of the most interesting games of the season. Both teams were in fine shape, and went in the game to play ball and win if possible, allowing the spectators to witness some of the fastest ball playing.

Halifax, with Lee in the box, Jordan behind the muzzel, Tracey in short Lancaster the fast "Leaguer" on first, together with Sater, Fenner, Norman, Gregory and Furgerson, started the first inning with a whoop, so confident were they that victory was theirs. Soon the table was turned, for it was clear to all who witnessed the game that Cuthrell, for the locals, was too much for the boys from the Court House, allowing them only 5 hits. Henry pitched hard ball from beginning to end, and at all times was given that support which he deserved by the team behind him. Lee, for the visitors also pitched good ball, having good control, and at all times on his job, but the home boys proved to be too much for him, for he was hit hard eleven times, some of which being long rangers.

It might be well said that all-round ball playing, and heavy hitting caused Enfield to give Halifax the decisive beating of 6 to 4.
