ENFIELD, N. C., FRIDAY, AUGUST 6, 1909.

\$1.50 Per Year Cash.

All Bids Rejected.

The Halifax County Commissioners in session at Halifax, Monday, received and opened bids for the \$40,000 Halifax court house bonds. There were twelve bids and after careful examination, on motion of N. L. Stedman seconded by B. A. Pope, all the bids were rejected and county attorney, Geo. C. Green, was authorized to re-advertise for bids to be received on the first Monday in September. One of the bidders present was inclined to be a little dictatorial to the board and was not willing to submit, like the others did, to the ruling of the board that all bids be rejected. There was only one local bid, A. McDowell, of Scotland Neck, whose bid was \$41,275. The other bids were as follows: Woodin, McMoore & Moore, Chicago, \$41,175; Spartanburg Trust Company, Spartanburg, S. C., \$41,675; Forson Son & Co., Chicago, \$41,200; Security and Savings Bank, Toledo, \$41,675; A. J. Hood & Co., Detroit, \$43,650; Weil, Rock & Co., Cincinnati, \$43,110; C. E. Dennison & Co., Cleveland, \$42,525; C. H. Coffin & Co., Chicago, \$42,000; S. A. Kean, Chicago, \$42,200; Charles N. Malone, Asheville, \$41,625; First National Bank, Cleveland, \$42,507; R. M. Grant & Co., New York, \$41,001.

Two of the bidders failed to inclose check for the required 10 per cent of the bond issue as a guarantee of good faith and their bids could not have been considered, although they were the highest bidders.—Roanoke News.

Under New Management.

Messrs. W. G. Rogers and Clement C. Hunter, of Warrenton, have secured Boyd's Tobacco Warehouse and will run it during this season. These gentlemen are no strangers to the farmers of Halifax, Nash and other counties, having for many years been in the tobacco warehouse business in Warrenton. The warehouse will be under the personal management of Mr. Hunter, and with the experience and ample capital these gentlemen have, will add much strength to this market.

Opening of the Tobacco Market.

The Enfield Tobacco Market opened this morning with what may be considered a fair break for an opening sale. While the quality of the weed was not very good the price paid for it could not be called very fair. As the season advances the farmers will likely get more for their tobacco than the prices now indicate.

The Advice Worth the Money.

A Lee county girl, says the Lee County News, recently sent 25 cents for a recipe to promote and preserve beauty. That same girl got the recipe all right. On a little strip of paper, received by mail, these words plainly printed: "Mind your mother and stay at home of nights."—Ex.

[As the Catawba County News remarks, the above advice is good for boys, too.]

The Secret of Long Life. A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, enriches and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. Its a godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes W. M. Sherman, of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c.

Epilepsy, Fits

"My son was cured of a very bad case of epilepsy with Dr. Miles' Nerveine."

MRS. D. BAKER, Cleveland, O.

"My little daughter who was afflicted with St. Vitus' Dance is now entirely well after taking Dr. Miles' Nerveine only four months."

MRS. C. G. BENNETT, Alma, Mich.

Epilepsy, Fits, St. Vitus' Dance and Spasms, are all nervous diseases. They have been cured in so many instances with Dr. Miles' Nerveine that it is reasonable to conclude that it is almost sure to cure you. With nervous diseases of a severe type, persistent use has almost invariably resulted in a complete cure or lasting benefits, worth many times the cost of the remedy. The best evidence you can get of its merits is to write to those who have used it. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money.
