Resolutions of Respect for Mrs. Ward.

Whereas, it has pleased our Heavenly Father to take to himself in that city of many mansions our beloved friend, Mrs. Will Ward, knowing that He doeth all things well, be it resolved:

First, That we, the Philathia Class of the M. E. Church South at Enfield, N. C., bow submissively to His will, and we hereby express our love and deepest sympathy not only to Misses Mary and Ruth as members of our class, but to the husband and entire family in their loss. We are profoundly grateful for the example her beautiful life and death has left us, and we pray that in the midst of their loneliness they must look upward, directing their thoughts to the great reunion by and by. May the light of Divine Sympathy shine into their darkened lives and saddened hearts, and the Comforter of the world's Redeemer abide with them.

Second, That a copy of these resolutions be recorded upon the class records, a copy sent to the bereaved, family, and a copy to The Progress for publication.

MISS LEYLA R. CARTER,
MISS ANNIE B. ARRINGTON,
MISS MARY BEAVANS,
Committee.
At Enfield, N. C., Aug. 16th, 09.

Resolutions of Respect.

Whereas the hand of death has removed from our midst our comrade, Samuel H. Lewis in his 84th year, be it resolved therefore:

1st. That we, the Frank M. Parker Chapter, have lost a brave soldier who served in Company F, 25th N. C. Regiment; and we take this means of paying a tribute to his memory for the part he bore in behalf of our beloved cause.

2nd. That we offer to the bereaved family our heartfelt sympathy in this their loss.

3rd. That a copy of these resolutions be spread upon the minutes of our chapter, a copy be sent the family, and a copy be sent The Progress for publication. Respectfully submitted,

MISS JNO. A. COLLINS,
MISS BELLE WHITAKER,
MISS SALLIE PARKER,
Committee.

Dumplin vs. Buzzard.

A very interesting game was played on the Dumpling diamond Wednesday afternoon, between Dumpling and Buzzard.

The score was 15 to 4 in favor of Dumpling. Dumpling sacrificed their last inning so that the Birds—who always retire early—might reach their roost before dark!

First Bale New Cotton.

Wadesboro special of Tuesday to the News and Observer, says:

The first bale of new cotton was brought in today and sold by F. E. Ratliff, of Cairo, to T. V. Harrison, Morven. Mr. Ratliff has brought in the first bale for years. The bale weighed four hundred pounds and sold for 15 cents.

Rules For Dealing With the Fly Nuisance.

Keep the flies away from the sick, especially those ill with contagious diseases. Kill every fly that strays into the sick room. His body is covered with disease germs.

Do not allow decaying material of any sort to accumulate on or near your premises.

All refuse which tends in any way to fermentation, such as bedding, straw, paper waste and vegetable matter should be disposed of or covered with lime or kerosene oil.

Screen all food. Keep all receptacles for garbage carefully covered and the cans cleaned or sprinkled with oil or lime.

Keep all stable manure in vault or pit, screened or sprinkled with lime, oil or other cheap preparation.

Cover food after a meal; burn or bury all table refuse.

Screen all food exposed for sale.

Screen all windows and doors, especially the kitchen and dining room.

Don't forget, if you see flies, their breeding place is in nearby filth. It may be behind the door, under the table or in the cuspidor.

The Secret of Long Life. A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, enriches and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. Its a godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes W. M. Sherman, of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c.
