## Let My Ice Skates Beat Your Sled

IT'S AN even draw as to whether Johnnie's sled will beat Mary's ice skates, or whether Mary's ice skates will beat Johnnie's sled! Both youngsters are busy getting the runners of their respective snow vehicles ready for the first big snow, for the freezing of the old swimmin' hole. And guess what! They're using their mother's spick-and-span cleanser—the safe one which is made with a selsmolite—to chase away the rust and dirt, because mother says there's nothing else like it and what a polish, what a shine that selsmolite cleanser gives! 'Twill be an "even draw" as to who will be the winner—but the children who fall to "polish up," just haven't got a chance.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I could just drag around, so sluggish and 'no-leaf.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." "If Cardui does not help you, consult a physician."

## BUILD SOON

Now that the WPA, the Federal bureau of public roads, and the North Carolina state highway commission have reached agreements about the way to go ahead on some road projects, road building in North Carolina should increase rapidly.

One road on which work should start this fall and which should be completed not later than early spring is hard-surfacing the one from Warsaw south through Magnolia, Rose Hill and Tescuya.

The particular time element involved in the case of this road arises out of the large shipments of truck from the section it will serve. Some of the shipments go by rail, some have been going in recent years by motor truck.
