CARD OF THANKS

My heart is almost broken since my dear brother was taken from me. But God saw fit to take him out of all pain. He had been a great sufferer for years. And I had seen him suffer so much when he would not let anyone know how much or in what way, until he would get where I was, then he would tell me about it. I can not realize that he is gone to stay yet, "Only gone, not dead." God alone knows how I miss him. And he will help me to bear all my sorrow and trials in my sad loneliness.  
 I get cards and letters of sympathy, but none of them take the loneliness away from my sad heart. But my heart goes out to all that have sympathy for me in my sorrow and sadness.  
 Dearest brother, thou hast left us. Here thy loss I deeply feel. Yet again I hope to meet thee, in a brighter world above, Sister.
