

Boulaville Farmer Writes of His Farm Work

Mrs. Thelma Page, connected with the Farm Security Administration in Warsaw, received the following letter from Roscoe Pierce Rt. 1 Boulaville recently:

Boulaville, N. C. April 7, 1943

Dear Mrs. Page: As you know, I was present at the meeting that was held at Chinquapin some time ago wherein we discussed the food goals, victory gardens, canning, etc., for Duplin County.

Before the war my farm was primarily a tobacco farm but since the war I have added food crops. You might be interested in just what we are doing now in the way of producing food for victory. In 1942 sold \$900 worth of live hogs. Increased my broodsows from 4 to 10. In 1943 so far sold \$705 worth of live hogs. In 1942 increased our flock of New Hampshire pullets from 60 to 125. Sold from 100 to 150 dozen eggs per month. In 1943 we are increasing our laying flock from 125 to 250. We have 3 acres in Irish potatoes and will have about that many sweet potatoes, 1 acre of market beans, 8 acres of peanuts for hogs and hay, 30 acres of corn, and we are planning a larger garden than we ever have had.

My wife canned 200 quarts of vegetables with a cold water canner last year, even canned a lot of corn that way, but lost about half of the corn as you know corn is very hard to keep anyway. I feel like my wife and I have the ambition and the spirit to make and preserve all the food we possibly can. We are interested in getting a pressure canner and we would sure appreciate it if you will give us consideration in this matter.

Yours very truly, Roscoe Pierce Boulaville, N. C. Rt. 1

bert Smith, chairman of the clothing department was in charge of the program. She had a splendid exhibit made from sacks. Her exhibit consisted of children and adult dresses and household linens, all made from sacks. Mrs. Williams served a delicious salad course with hot punch. After the meeting the members of the club enjoyed an old fashioned egg hunt on Mrs. Williams' spacious lawn.

Handicraft Materials Sought by Hospital Service

Camp and Hospital Councils are being requested to supply handicraft materials for the Red Cross recreation program. It is not the responsibility of Councils to supply handicraft material if it involves an expenditure of money. Handicraft materials can be requisitioned by Hospital Field Directors and Assistant Field Directors from Area Headquarters. If the Field Director has requisitioned materials from Headquarters and they have not arrived, the Field Director can purchase sufficient quantity to take care of immediate needs from the "Revolving Fund", in accordance with accounting procedure.

It is the function of the Council to supply handicraft materials which can be secured without the expenditure of funds. Such materials vary according to the recreation program that is being carried on in various hospitals. However, the following are a few suggestions:

Seashells, Pine cones, Corn cobs, Old felt hats (cleaned), Old leather (pocket books, saddles, shoes, etc.); Sweet grass; Acorns; Scrap wood; Old picture frames; Wooden cigar boxes; Gourds; Honeysuckle (to be used in place of reed for weaving); Waste and scrap material from industrial plants, wood working shops, etc.

"The handicraft program in our hospitals is a very important part of the Red Cross program and we urge Councils to take an active part", said C. L. Brown, Director Camp and Hospital Council Service.

Boulaville Teachers All Re-Elected

All Boulaville teachers were re-elected for another term at a recent meeting of the school board. W. R. Teachey will return as principal after a year's leave.

Camp Davis Appeals To Local Folks To Aid In Beautifying

Mrs. Harvey Boney received a communication from Edw. C. Garant, secretary Camp and Hospital Service Council at Camp Davis asking that local people donate trees and shrubbery to beautify the Camp grounds. The letter follows:

Mrs. Inez C. Boney Camp and Hospital Service Council Duplin County Chapter American Red Cross Kenansville, North Carolina

Dear Mrs. Boney: You have possibly noticed on occasions of your visits to Camp Davis for Council meetings and otherwise, the very apparent bareness which greets you as you come in the main gate. This has been the source of a great deal of concern both on the part of the military personnel stationed at Camp Davis and visitors who have had occasion to notice the condition.

During a recent conference with Colonel Potts, the Commanding Officer of Camp Davis, we were quite forcibly reminded that he personally had been deeply interested and anxious to find some means of correcting this apparently neglected situation. The Colonel made a direct request to me as Executive Secretary of the Camp and Hospital Service Council that we request each chapter in this area to go to any extent they care to in locating and receiving expressions of willingness to donate all types of shrubbery, plants, flowers, or anything you in your opinion, would like to see placed upon the grounds of Camp Davis. This will not be a hit or miss proposition by any means as the Colonel, pending reports from the chapters through this office, is making plans for a progressive program of beautification and small scale landscaping which will make a radical difference in the appearance of this location. An experienced horticulturist and landscape gardener has been located in the forces at Camp Davis and is being held in readiness to assume supervision of these activities as soon as the hoped-for plants and shrubbery are available.

Colonel Potts specifically requested that we ask only that shrubs, small trees, plants, etc. be allocated with the understanding that when your chapter has enough of these items in view to

complete one truckload he will send the truck with enough men to do the actual work of taking up these shrubs, bring them to Camp Davis, and complete the transplanting all in the period of one day if possible. In this way there will be no transportation or labor factor to be considered by the chapters, other than the time of some individual necessary to go with the men from Camp Davis to show them which plants they are to take and where the plants are located.

I firmly believe that this will be a worthwhile project and one in which you may feel justly proud when you see the results obtained. Colonel Potts expressed his sincere appreciation of our efforts in this direction and you may be sure that a personal letter from him will be forthcoming upon completion of your portion of the program.

May we have your commitment at an early date so that we may expedite matters to the extent of showing the military some real action.

With kind personal regards, I am,

Very truly yours, Edw. C. Garant

Secretary Camp and Hospital Service Council

WALLACE NEWS

Major and Mrs. Westbrook Murphy and Pat and James Murphy of Fort Bragg were week end guests of Mrs. Kate Murphy.

Miss Virginia Knowles and Dorothy Pearsall of ECTC were week end visitors in town.

The many friends of Mr. John Farlow will be sorry to learn he is ill at his home.

The defendants Antonette B. Spicer, Norwood Spicer and Frank Fagen, Receiver for Wayne National Bank will take notice that an action entitled as above has been commenced in the Superior Court of Duplin County, North Carolina, to foreclose certain tax liens for unpaid taxes for the years 1936, 1937, and 1938, assessed against the following lands in Duplin County, Kenansville Township, described in a deed executed by William Spicer to Ruth Gold Spicer, Trustee, recorded in the office of the Register of Deeds of Duplin County in Book 291, page 523; and the defendants will further take notice that they are required to appear at the office of the Clerk of the Superior Court of said County in the Courthouse in

Kenansville, North Carolina, on the 15 day of May, 1943, and answer or demur to the complaint of the plaintiff filed in said action, on or before the 7 day of June, 1943, or the plaintiff will apply to the court for the relief demanded in said complaint.

This the 14 day of April, 1943. R. V. Wells, Clerk Superior Court 5-7-4t D. Co.

NOTICE OF SALE

By Judgment of the Superior Court, Duplin County, in civil action of Duplin County against Berry Hodges and others, the undersigned will sell to the highest bidder for cash at the courthouse door in Duplin County, on the 3 day of May, 1943, at 12 o'clock noon, the following tract of land in Duplin County, Warsaw Township North Carolina, described in the judgment in said action, as follows:

Being the same land listed for taxes during the years 1938, 1939 and 1940, and known as the Hodges land, containing 4 acres.

This 30 day of March, 1943. I. N. Henderson, Commissioner 4-30-4t. D. Co.

Where Will Money Come From?

People ask: "Where will the money come from?" to reach the thirteen-billion dollar objective of the Second War Loan. The answer is simple. The people HAVE the income.

When we produce munitions or peacetime goods, or anything else, we likewise produce income. For every dollar of production, there is a dollar of income.

The problem of war finance boils down to this—if individuals and businesses receive more income after taxes than there are things produced for them to buy, then excess funds arise.

The government deficit is matched by the combined surplus of everybody else. This surplus should be put into Government securities to wipe out that deficit.

They give their lives for the land, your money.
