DUPLIN

is a Fighting County

...and Greyhound is part of its fighting power

Duplin County is America in cross-section—fighting mad... and... fighting hard, doing its level best to back up our troops across the seas with the home-front cooperation they must have.

All of us in Duplin County are putting the drive that counts behind the particular jobs that are ours to do — whether it's sending our men to the colors — building their guns and ships and planes — raising their food and clothes and smokes — buying bonds — or moving manpower.

Duplin County men and women loyal Greyhound employees, are busy keeping our buses rolling to help keep our war effort in high gear. They're driving the buses — keeping them mechanically fit — conserving vital materials — giving wartime travel information — handling baggage.

As our share in this country's joint war program, Greyhound is taking our boys to induction centers — and bringing them back home from training camps on well-earned leaves. We are transporting our neighbors to their vital jobs in war plants and on farms. We are keeping essential travel on the move — linking up this county with the other busy communities of the South Atlantic states, where so much of the Nation's war activity is centered. Duplin County is in this fight to win — we didn't start the fight but we're going to finish it!
