WANTED...A DAY NURSERY ... for this "casualty" of war, this "sacrifice to military necessity." Father's in the Army. Mother in a munitions factory. This baby, and a legion like him, need adequate day nursery care. The right food, rest, play while the mother's at work. One of the multitude of jobs your dollars

THE PURPLE HEART MEDAL ...established by George Washington during the Revolutionary War, and worn by all officers and men who have been wounded in war.

LOST, TWO BLOCK-BUSTERS. Wait a minute before you accuse her of absenteeism. She's away from her war jeb because she's just plain sick...and doctors are scarce where she lives. The overworked community nurse hasn't gotten around to her yet-and she needs her services badly. Another war problem on the list of "musts."

## No Purple Heart for them

... but they're War Casualties just the same

Why this great drive pays so much attention to the Home Front here as well as the fighting fronts of all the United Nations.

THESE are just a few samples of the problems this great campaign will A attack...and, with your help, conquer. Not only medicines, food, clothes, etc., to help our fighting allies to keep fighting...not only money for the USO to help keep our own fighting forces happy...but all the multiple needs of the Home Front, too, come under our banner. So...look over the list of agencies here. Figure out what you'd give each one individually. Add the total ... and double it!
