

NAVY NEEDS 17 YEAR OLDS NOW

Thousands Needed Badly; Of-fers 57 Trades.

fers 57 Trades. The Navy needs thousands of 17 year old youths to fill the many percialized schools to keep our ever increasing fleet afloat it was announced by J. W. Brown, Chief Petty Officer in charge of the Wil-mington Navy Recruiting Station Never before in our history yea os usu Sunot papasu an avery by nor have we had so much to offer them in specialized training. 57 specialized schools are open to young men desiring to enlist. These schools include training in Naval air corps, medical deisel, and electrical engineering and prom 8 to 24 months, depending on which school you select. Any youth who attends one of these schools will be better equiped to demand more money after the war or mentioned the most pome

s over. Radio is one of the most popu-lar branches in so far as it gives training in a skill that will always be much in demand. Radio Tech-nician School also trains you in Television and Electricity and up-on completion a rating of Petty Officer First Class at a base pay of \$114.00 per month plus all al-lowances.

Brown will be at the Post Office in Wallace every second and fourth Wednesday: Clinton, every Mon-tay and Friday. He urges all youths to contact him immediately for the Navy's educational program where you have the opportunity to select the school of his thereby fitting him-self for the world of tommorrow.
