conduct service at Magnolia M. E. Church next Sunday night at 8:30. Evangelistic Service will begin on May 22nd. Rev. J. W. Lineberger will preach.

The spiritual growth of our people depend, in large degree, upon the strength of our churches. Support your own. The smart man has sense enough to read the news, and the willful, with caution.

ICE SAVES POINTS Help Keep Food Bills DOWN

Simple as A B C --- If your food is protected with ice it will keep in a wholesome condition, enabling you to get more servings out of what you buy. Ice allows no drying out --- no shrinking up --- no spoiling --- to cause waste. Foods will keep moisture fresh, because ice not only supplies the required cold temperatures for home refrigeration, but also provides proper moisture and definite circulation of air. Now that hot weather approaches --- rely on ice. --- An Ideal Mother's Day Gift is an
