OUR STATE AND NATION face critical times. The next Governor should be a man whose character and ability have been tested and proven before the people of North Carolina. Major Cherry is such a man.

As a machine gun company captain in the First World War, as Mayor of Gastonia, as member of the House of Representatives, as Speaker of the House of Representatives, as State Senator he has served his Nation, State, and City with distinction.

As member of the board of stewards of his church, as founder and Commander of the Gastonia Post of the American Legion, as State Commander of the American Legion, as officer in various fraternal orders he has inspired confidence and performed substantial service.

As a private in the party ranks and as Chairman of the State Democratic Executive Committee he has worked for the best interest of the Party.

Because Major Gregg Cherry has throughout the years demonstrated his fine character and excellent ability; because he has come through his long period of service unprejudiced; because, as a candidate he has announced an impartial, sound, progressive, achievable program, he stands before the people of North Carolina as a man qualified in every respect to serve as Governor.

Major Cherry has conducted a clean and sensible campaign based entirely on his public record, his qualifications, and his program for sound and progressive government in North Carolina. His campaign has been above personal attacks and criticisms of his opponent and this type of campaign clearly bespeaks the calibre of the man as one who is big enough and able enough to be trusted with the affairs of State.

**A VOTE FOR CHERRY IS
A VOTE FOR SOUND, SENSIBLE
AND PROGRESSIVE GOVERNMENT**
