Motorists Advised To Apply Now For 'Basic' Gas Coupons

It's time to apply for renewal of basic "A" (automobile) and "D" (motorcycle) gasoline rations.

Application blanks now are available at all authorized tire-inspection stations, other gasoline stations and at offices of the various rationing boards.

The "A" gasoline books now in use will expire on November 8. The No. 11 coupons currently are valid, and OPA announced that the book will be discontinued on November 8, and its No. 12 coupons will not be made valid in this section of the country.

How To Apply

KMAS SEAL SALE BEGINS NOV. 27t

The opening of the 38th annual Christmas Seal Sale has been postponed from November 20th to November 27. This change was made to avoid conflict with the opening of the Sixth War Loan Drive which was recently set for November 20.

Postponment was announced by the National Tuberculosis Association.

North Carolina's cifizens are asked to help put our State sver the top in its drive to sell \$215,000 in seals, despite the fact that the drive will last one week less than originally planned.

MITH TOWNSHIP MAN

The filled-in application blanks MRS. SUDIE MILLER

The filled in application blanks should be sent to your local rationing board. Be sure the blank is filled in properly. Also, it is essential that you send with the application, the back cover of your present book, making sure your name and address are in their proper place on the back cover.

Issuance of the new books will be a big job, so, it will pay you to file your application early, so that your new book may be sent you before your present ene expires.

All applicants are urged to send in their applications - be rure to carefully follow instructions on the application form - immediately to save time for both the motorists and board workers.

MRS. SUDIE MILLER

Mrs. Sudie P. Miller, owner and publisher of the Pender Chronicle in Burgaw, and former employe of the Duplin Times, is seriously ill at her home and there is no hope held for her recovery. A report this week said she was gradually growing worse.

ORGANIZATION ON SOUTHEASTERN APPROVED BY STATE COMMITTEE

The State Soil Conservation Committee has approved the organization of the Southeastern Soil Conservation District and a referendum on the organization of the district will be held during October 23 - 28. All landowners and parties who have contracted to buy land will be eligible to vote in the referendum, Voting will be accomplished by mail.

Ballots, along with an explana-ory letter will be mailed out and ach landowner may mark his bal-E. L. Dees of Wallace and Mrs. lot, sign and drop it back in the A. B. Vick of Rose Hill, run interior return it to the tounty up in the contest Many of Duragents office. All landowners citizens were present for the agent's office. All landowners should participate, it being their right to register a preterence A small vote or opposition to the organization of the district of any consequence will very likely cause the State Committee to deny the petition of the farmers to srganize.

Nine meetings were held in Duplin County during the past three weeks, at which organizational procedure was explained and what benefits would come to landowners it the county became a part of

ers it the county became a part of une Southeastern Sou Conservaservices made available to tarmers without cost include technical assistance in making dramage surveys for both the and open anches, crop rotations, soil improve-ment, practices including wood-land hatnagement, resorestation, immning, narvesting and forest nre control. Trees and Kudzu seedlings may be granted farmers in the district including mechani-cal equipment for doing Soil Con-servation work.

There are no taxes, fees, asses ments or cost whatsoever to fand owners for pervices which they re-ceive from the Department of Agowners for pervices which they receive from the Department of Agriculture through the Soil Conservation Service. These services come to farmers in organized Districts not only without cost, but the farmer is under the services come to farmer is under the farmer in the farmer is under the farmer in the f the farmer is under no obligation soldiers. ceive \$57 for approximately 200 hours work, while his cousin in the factory will earn \$116 for 167 hours' work, according to a survey completed by Commissioner of Agriculture W. Kerr Scott.

He said that "although wages being paid farm labor are now the highest on record, they are estill less than half those of the man inindustry."

Wages which will be paid to farm laborers this month, said Scott, will run about \$1.25 more than the \$55.75 paid in July and are "exceedingly high" when compared with \$17.25 in October 1932 and \$24.25 in October, 1936.

Scott voiced the opinion that the jear of lagranged in the farms, adding that "the low income from cotton in relation to the biggest hindrances to satisfactory farm wages in North Carolina."
